EDUCATION REPORT

There has been an increase in the number of graduates over the last couple of years. The total for 1986 is 172, and added into this total are approximately 30 dancers from the newly formed Combined Squares. This combination of callers and clubs was so successful in their first year that plans are already underway for a new class to begin in September. This new class will be held at the Trinity Lutheran Church in Fort Washington.

There will be two Free Summer Dances held this season. They are as follows.

July 19, with caller, Jim Snyder and cuer, Peg Doughery at the Quakertown Fire Hall, West End. Rounds will begin at 7:30 PM.

August 9, with caller, Dalt Young and cuer, Gene Senatore at the Quakertown Fire Hall, West End. Rounds will begin at 7:30 PM.

The level at these dances will be for new graduates and there will be no Plus calls used.

mouth is not worth anything because you don't have to sign it. I know of a couple who dropped their subscription because they did not receive their magazine on time, but they still dance.

One poll which we received was presented at our district meeting. The statement written on the poll was: "This poll isn't worth 22 cents to return, only I want you to know how dumb I think it is. It's a waste of paper, time and money. Who cares if Squares and Rounds is on time?" I was hoping to prove this statement wrong but from the response I've had I guess it is true.

In the March/April issue of "Squares and Rounds", Editor/Printer, Ralph Trout, responded to a letter I sent to him as I had hoped. He was not getting back at me as some dancers seem to think, but he was explaining to those dancers who do not understand the problems that occur with putting out a newspaper or magazine. I have worked on magazine staffs long enough to understand the problems which arise and believe me it's not easy.

ATTENTION ALL SQUARE AND ROUND DANCERS

Back in the January/February issue of "Squares and Rounds", we placed a poll for dancers to answer. The response has been very poor. Out of the 439 copies that were sent out we have only received 51 polls in return. We should have had at least half returned, if not all. We know that there has been a lot of dissatisfaction because dancers tell us about it. The reason for the poll was so we could see these complaints in writing. Word of

I.R.S. MEMO FROM THE NATIONAL SQUARE DANCE EXECUTIVE COMMITTEE

The Federation received a memo from the National Square Dance Executive Committee regarding tax information and square dance clubs. The memo pointed out two areas concerning club tax problems. They were as follows:

1) A club needs an I.R.S. Employer Identification Number if it has a checking account, savings account or certificate of (continued on page 2)

2) If a club does obtain an I.R.S. Employer Identification Number, it must also file an application for exemption from Income Taxes on any of its receipts.

3) In addition, if a club pays any person or organization \$600.00 or more in a calendar year, the club is required to issue a 1099 Tax Report to the payee,

and send a copy to the I.R.S. with a 1096 Form.

To get an I.R.S. Employer Identification Number, Form SS-4 must be completed. This is a relatively simple form to fill out. Blank SS-4 Forms may be obtained by contacting the Federation's Treasurer: Frank Evans, 102 North Hall Dr., Westampton, NJ 08046, 609-887-1082.

For a club to apply for exemption from Federal Income Taxes, I.R.S. Form 1024 must be completed. This is a seven page form and must be sent to the I.R.S. along with a copy of the Club By-Laws. Form 1024 may be obtained from your local I.R.S. office.

A club can not use the I.R.S. Employer Identification Number of the Federation.

(continued from page 5)

We will be holding demonstrations at various malls, etc., in our area in August and September, and will start our classes immediately after the fall convention. We have names of people that are already signed up, and we'll take your names to add to the list - so that we can keep these people advised on our demo dates, etc.

Please help us spread the word about the upcoming class. We encourage singles and couples to attend. For more information contact Buck Fish, Nick Filone, Martin McLain or Gordon Lentz.

+ + + + +

DIXIE DERBYS: Our new officers are: President, Rowland Dudley; Vice President, Joe Sugden; Secretary, Lorna Goldstein; and Treasurer, Marty Ewer.

Our largest class ever, graduated on April 22 with 55 dancers receiving their diplomas.

+ + + + +

EASTONAIRES: Congratulations to our officers who are all returning for another term. They are: President, Earl & Judy Rohn; Vice President, Reita Graham; and Treasurers, Bill & June Lesko. We welcome recent graduates to dance with us on Mondays nights. Congratulations!

+ + + + +

EDGE HILL SQUARES: It is with genuine sorrow that we report the death of Bob Graham on April 8, after a short illness. Bob and his wife, Thelma have been charter members of our club since its inception in September 1957. Bob held many responsibilities throughout the years. He never said "no", only, "I'll see what I can do". Our prayers and sympathy are extended to Thelma and the family. Bob will be missed by all who knew him and loved him.

Class and workshop will be held on July 7 and 14 from 8:00-10:30 PM.

+ + + + +

FLUTTERWHEELS: Our new officers for 1986-87 are: President, Butch & Faye Geiser; Vice President, Jeff & Barbara Bond; Treasurer, Steve & Marianne Welenteychik; Secretary, Bill & Connie Kries; and Epicurean, Ted & Judy Holmberg and Max & Blanche Treiber.

+ + + + +

LEISURE SQUARES: We will not be dan-

cing during July and August.

A special dance was held on May 8 for Hattie & Lou DeLeau, our club's founders, who plan to move to New York state to be near their children. Proceeds from the dance were given to them to help start a senior citizen's square dance group in their new neighborhood.

+ + + + +

LENTZ'S LOFTERS: Our new officers to begin on September 1, 1986 are: President, Dick & Betty Roberts; Vice President, Doris McCrossin; Treasurer, Elsie Marcolina; and Secretary, Ed & Mary Ann Heller.

This summer, and running through the current 1986-87 season, we will host guest callers at each dance. See the list of guest callers and also our ad in this issue. We welcome all dancers to come and join us. For more information call Bernie & Joan Marcus at 275-8255.

+ + + + +

MELODY LAKES BELLES & BEAUS: In May we changed our dance nights to Tuesdays. There will be no workshop in July.

+ + + + +

PERKY PROMENADERS: We will be dancing our regular schedule throughout the summer at the Church-On-The-Mall, Plymouth Meeting. We have a wood dance floor and air conditioning, so come out and join us!

+ + + + +

POCONO SQUARES: Watch for flyers on activities we will be having for the next two months.

+ + + + +

QUAKER EIGHTS: Our 16th Annual Dinner Dance was a big success! The food was superb as always and Jim Snyder called a great dance. Jim and his brother had everyone in stitches while doing a special number. Frank & Grace Fertsch did a fantastic job as usual and a great time was had by all.

We recently graduated our first class. Dot Breisch baked and decorated a cake and everyone made their own sundaes. We wish to thank Jim Snyder for coming to Quakertown every Monday to teach class. We wish to extend our congratulations to the class and may they enjoy dancing for many years to come.

FEDERATION MEETING NEWS UPDATE

If you weren't one of the approximate 135 dancers at the Free Federation Meeting Dance and Election of Officers held on April 27, at Our Lady of Help Christians Church in Abington, you missed an excellent dance to the great calling of John Kaltenthaler and Peg Dockry. This year the host district was Mid-East Penn and they did a fine job of putting this dance together.

Dancing began promptly at 2:00 PM with a business meeting beginning at 3:15 PM with an opening prayer by John Lachenmayer. After committee reports were given, President, Bill Manuel asked for a report from the Nominating Committee, John & Kathy Falter, who announced that all officers were willing to run again, and since there were no nominations from the floor, he asked that the secretary cast a ballot for the slate of officers as follows: President, Bill & Doris Manuel; Vice President, Doug & Ethel Vollmer; Treasurer, Frank & Connie Evans; and Secretary, Marguerite Scadding.

Bill Manuel then introduced his committee chairpersons who were present.

Bill Manuel reported on the Wildwood Spring Weekend and was most pleased to report that there had been an increase of 35% in attendance over last year. Approximately \$1300.00 will be turned over to the Federation. A full report of the weekend was given by Co-Chairmen of the Weekend, Wil & Lorraine Kent, at the June 13 Board Meeting held at the Dunfey Hotel in Philadelphia. At this time, Bill made a recommendation that the

Wildwood Weekend be continued as he felt it would continue to grow and show an even greater profit.

FEDERATION BOARD MEETING HIGHLIGHTS

The Federation of Delaware Valley Square and Round Dancers board meeting was held at the Dunfey City Line Hotel on March 13 where the following items were discussed.

1) The Federation will host an After Party at the 35th National Square Dance Convention in Indianapolis, on June 28, 11:00 PM to 1:00 AM, in the Convention Center (Hall "B"). M.C. for the evening will be Bob Clark and national callers, Lee Kopman & Earl Johnson will be calling with the Easterdays cueing rounds.

2) Membership update - We have an increase of 118 members over last years count. Congratulations to all three districts!

3) Roger & Marion Owings reported that they are having problems obtaining

Liability Insurance because insurance companies are no longer writing these policies for groups. If anyone knows of a company that does supply these policies, please notify Roger & Marion.

4) The 26th Delaware Valley Square and Round Dance Convention received permission to raise registration fees by \$1.00 per person due to an increase in costs of callers and hotel registrations. The registration fee will now be \$35.00 per couple and \$18.00 per single.

5) Two square dance clubs were voted into the Federation. Say hello to King's Squares from King of Prussia and Elk Town Twirlers of Elkton, Maryland.

6) This year's convention registrations are really adding up - over 1,000 to date. Don't wait until the last minute to sign up - better do it now - or you will be left out. There will be no walk in registrations.

7) The Advisory Committee met one hour prior to the meeting and went over changes in the Statement of Policy and Guidelines of the Convention. During the meeting the changes were made and

NEWS UPDATE ON THE FEDERATIONS "WILDWOOD SPRING WEEKEND"

The Federation of Delaware Valley Square and Round Dancers "Wildwood Spring Weekend" is over, and it was a great weekend of dancing and fun. Wil & Lorraine Kent, chairpersons for this event, are to be commended for their efforts in creating such a great weekend.

Enough can not be said for the callers, Bob Clark and Glenn Matthews, and our cuer, Steve Bradt, for programming two evenings of enjoyable dancing and two mornings of relaxing squares and rounds.

On Saturday evening, after the dance, we were entertained by a group of talented square dancers from the First State Squares who put on a variety show. The show featured the "Razzle Dazzle Band"; the toe tapping of "Twinkle Toes", Betty Terrell; the magic of Dick Terrell; the rendition of "On The Good Ship Lollipop" by Curley Top, the darling of the yuppie set Bill Manuel; the "Blue Boot Boys", Bill Faunce, Darrell Lewis, Dick Terrell and Bill Redding, with their memorable melodies; the one act playlet, "Dancing At The Ritz", by the not so famous characters Evie & Bill Faunce and Fran & Maxine Waegel; and last but not least, the "Golden Slippers Dance

Troupe", Bill Faunce, Darrell Lewis, Paul Talley, Bruce Arnold and Bill Redding with their interpretation of "Autumn Leaves". The entire show was directed by a very capable couple, Fran & Maxine Waegel.

It was very heart warming to see an increase of 35% in attendance at this "Wildwood Spring Weekend" to that of a year ago and with this kind of interest, we hope that the Federation of Delaware Valley Square and Round Dancers "Wildwood Spring Weekend" will continue to grow.

Thanks to all who attended and again Wil & Lorraine Kent - it was great!

DANCE FOR THE FRIENDS OF THE HANDICAPPED

The 9th Annual Dance to benefit The Friends of the Handicapped was held at Souderton Area High School on March 16. About 400 people attended and danced to several area callers and cuers. We are very grateful that we have so many fine area callers and cuers who were willing to donate their time for this dance.

CALLERLAB CONVENTION NEWS UPDATE

Callerlab, The International Association of Square Dance Callers, recently completed its 13th Annual Convention at the beautiful Hyatt Regency on the Inner Harbor in Baltimore, Maryland. More than 575 callers and partners attended this prestigious three day event. The overall attitude at this convention was one of genuine caring for the needs and wants of the dancers. The resolutions that were passed reflect a concern for the long range well-being of the square dance activity and are sure to be considered carefully by dancers as well as callers.

Among the significant awards presented this year were the following:

Small World Awards were presented to callers attending a convention for the first time from a non-North American location. The recipients were Heiner Fischle from West Germany, Chris Froggatt from Australia, Ted & Sheila Ivin from England, and Holger & Petra Willm from West Germany.

Those overseas callers who attended for the second time were Verne & Jean Anderson from New Zealand and Yona & Al Chock from the Netherlands.

Quarter Century Certificates were presented to those callers who have completed 25 years of calling. We also acknowledged 50 years of calling by Al Brundage.

The most prestigious Callerlab award - The Callerlab Milestone Award - was presented to three outstanding individuals who have contributed greatly to Callerlab and square dancing over a long period of time. They were Melton Luttrell from Fort Worth, Texas, Bill Peters from Lake Tahoe (Zephyr Cove), Nevada, and Dave Taylor from Naperville, Illinois.

CALLERLAB EXECUTIVE COMMITTEE NEWS UPDATE

The Board of Governors elected Norm Cross from Milnor, North Dakota, to serve as Chairman of the Board to succeed Cal Golden who resigned upon the advice of his doctors. Assisting Norm will be Bob Osgood from Los Angeles, California, as Vice-Chairman. The other members of the Executive Committee include Wade Driver from Houston, Texas, Kip Garvey from Fremont, California and Elmer Sheffield, Jr. from Tallahassee, Florida. SUBJECTS DISCUSSED AT THE RECENT CALLERLAB CONVENTION

Among the resolutions passed at the Callerlab Convention in Baltimore on March 26, 1986 was a resolution dealing with the realignment of the calls within the Mainstream program that might be deferred for later workshopping. This reflects the reduced use of some calls in selected areas and will not affect existing Mainstream programs in areas where there are Mainstream clubs. The intent is to allow callers and clubs to teach new dancers a program of calls that reflects the dance program of the sponsoring group. In many areas of the United States and Canada as well as many overseas locations where a dance program of Mainstream calls as published is being danced, the adjustments will not affect the teaching series of classes.

In other areas, where the predominant dance program is Mainstream with some Plus calls, the realignment will reflect the calls which can be deferred to a later time. In some of these areas, the class time is limited to 25-30 weeks and some calls just cannot be properly covered in

that period of time.

Concurrent with this, a special committee was formed to review the existing Mainstream and Plus programs to determine if a suitable "Learn To Dance Program" can be covered in a 25-30 week (lesson) time frame. Again, it is emphasized that, where the existing clubs have a strong Mainstream program, there would be no change. There is no intent to force clubs or dancers to learn one or more figures from the existing Plus program.

We welcome suggestions or your ideas on any of these programs. We encourage you to send your thoughts and ideas to the Callerlab Office, Box 679, Pocono Pines, PA 18350. We will forward your views to the respective people involved so that your views are considered before a recommendation is formed. We anticipate a preliminary publication sometime this summer.

vanced Quarterly Selection list by a vote of the Committee.

Linear Action and Zing were both added to the C-1 program and, therefore, have been dropped from the Advanced Quarterly Selection list.

Current Advanced Quarterly Selections as of June 1, 1986 are: Change Lines, Checkover, and Mini Busy.

CALLERLAB PLUS QUARTERLY SELECTION

Gene Trimmer, Chairman of the Plus Quarterly Selection Committee, is happy to announce the selection of one call as the Plus Quarterly Selection for the quarter beginning May 1, 1986. The call is Relay, Cycle & Wheel (R.C.W.) by Wade Driver.

RELAY, CYCLE & WHEEL (R.C.W.)

Starting Formation: Parellel Right Handed Ocean Waves.

Definition: All Swing $\frac{1}{2}$ by Right, Centers Cast Off (Left) $\frac{3}{4}$, Ends Circulate $\frac{1}{2}$. Wave of six does a Grand Swing Thru, new end of wave Circulates while lonesome circulator moves forward to become the end of the wave of six. New wave of six all Cast Off (Right) $\frac{3}{4}$ to form a momentary column of six. Leader (Outfacer) in column does a U Turn Back while the momentary Two-Faced Line which has formed with the lonesome circulators and the two very center dancers in the column of six does a Wheel & Deal. Ends in a Double Pass Thru formation. Timing 20-22 Counts.

Comments: The author specified, in his original correspondence, that the starting formation for this call was from parallel right handed ocean waves. The original definition was changed somewhat to clarify some of the actions taking place during the flow of the call. Left hand action is possible but not advisable unless dancers are well versed in all positions

LEGACY COMMENTS ON "AFTER GRADUATION, WHAT'S NEXT?"

Spring usually heralds the graduation of thousands of new square dancers around the country. We rejoice with them in their accomplishment and tip our sombrero to the callers and angels who worked diligently to train these welcome newcomers to the square dance world.

Unfortunately, our rejoicing may be short-lived if we do not continue to work to serve the needs of these new dancers and make them feel welcome. The question we need to ask ourselves is, "After graduation, what's next?" Do the new dancers have a place to practice and enjoy their newly acquired skills, or are they faced with a summer hiatus and a wide gap between what they have been taught and what their club is doing?

The problem of the summer hiatus can be solved in many ways with special dances and social outings during the

summer to help assimilate the newcomers into club activities. Solving the problem of the gap between class and club often is not so easy, and failure to solve that very problem accounts for a large number of dropouts - dancers who become discouraged and frustrated because there is no place for them to dance and have fun with what they already know.

All too often an attempt is made to solve the problem by rushing the new dancers into another program during the summer so that (supposedly) they can begin to dance with the club in the fall. Thus, we see a plethora of Plus workshops during the summer that are filled with new dancers who have not even had the opportunity to practice their Mainstream skills. Not only are the dancers being rushed into a new program much too quickly, but many of the workshops are too short for what they pretend to do. Callerlab recommends that a new dancer dance the Mainstream program regularly for at least one year before he or she attempts the Plus program. This summer rush often only compounds the problem and produces dancers who are proficient at neither Mainstream nor Plus and who are, therefore, doubly frustrated.

As graduation time is a time of rejoicing, the transition time also should be a time of rejoicing. Let's all work to make it so. Let's make it a time during which new dancers find the fun and enjoyment they have been working for, a time during which they find the acceptance and friendliness they have a right to expect. We have told them that square dancing is fun. Now let's prove it!

WHAT ARE "MINI-LEGACIES?"

It is never too early to plan a mini-Legacy for the dance leaders and potential leaders in your area. What is a mini-Legacy? Really nothing more than a seminar or meeting to train leaders, exchange ideas, and try to solve some of the problems facing square dancing today.

Mini-Legacies are conducted annually in many states and take many different

forms and some interesting acronyms such as LUST for Let Us Sit and Talk. Some invite speakers from other areas to conduct some of the sessions and/or to give the keynote speech. Others rely upon their own state resources. Most follow a pattern of a general meeting followed by smaller "break-out" sessions on various subjects, and then some sort of "wrap-up" session. Many include a fun evening of dancing relaxation along with the hard work, often with the guest speaker calling the dance.

Frequently, state square dance organizations have accumulated funds from the state festival and other activities and are searching for good ways of using the money to help the square dance activity. What better way than to provide leadership training? Surveys of every kind show that one of the big problems facing square dancing today is lack of leadership. Many clubs have disappeared from the scene because no one would take an office or did not know what to do once in office. Offices often go unfilled because we do not make the job rewarding in

terms of satisfaction and self-esteem. Mini-Legacies provide a forum for examining ways to promote leadership and making leadership roles satisfying.

Legacy is a leadership-communication resource center. If you would like help in organizing a mini-Legacy in your area, contact Walt & Louise Cole, Mini-Legacy Chairman, 944 Chatelain Rd., Ogden, UT 84403, 801-392-9078.

LEGACY EDUCATION PROGRAM FOR NATIONAL SQUARE DANCE CONVENTION

Again this summer Legacy will participate in the educational program of the National Square Dance Convention. A number of interesting subjects, important to the square dance activity, will be discussed during the three days of the convention, June 26, 27, 28, 1986, in Indianapolis, Indiana.

PM, Chet Vetter will be moderator for a discussion on "Dancer First Aid Kit" by Bill & Donna Anderson. It is a subject all club leaders should find helpful and interesting. The same day from 2:00-3:00 PM, Bill & Donna Anderson, Bill & Colleen Wilton, and John & Freddie Kaltenthaler will discuss "Caller-Dancer Relationship". Chet Vetter will again moderate. The smooth functioning of a square dance club requires understanding and cooperation between the caller and the dancers, particularly club officers. This discussion should provide ideas for improving that spirit of working together.

"Square Dance Preservation" will be the subject of discussion on Friday, June 27, from 1:00-3:00 PM. Dan & Mary Martin, Cathie Burdick, Bill & Colleen Wilton, and Jerry & Becky Cope will provide a variety of ideas for keeping our favorite form of recreation hale and hearty throughout the years. Gordon Goss will moderate and make sure that each of the fine panelists gets an opportunity to be heard.

Last, but not least of Legacy's presentations will be on Saturday, June 28, from 1:00-3:00 PM. I should be a rousing one with the idea taken from surveys in which many dancers tell us that we need to put the fun back into square dancing. Walt Cole will keep the peace as John & Freddie Kaltenthaler, Stan & Cathie Burdick and Bill & Donna Anderson tackle the challenging question: "Fun - If it is gone, where did it go, and how can we get it back?"

Legacy invites callers, cuers, dance leaders, dancers and other interested parties to join in these timely discussions. Your idea of suggestion may be the very one the square dance world has been waiting for!!

LEGACIES "HOT LINE" FOR TROUBLE SPOTS

A Hot Line for Square Dance trouble spots has been and continues to be main-

tained. An individual or group spotting a potential problem to the activity (inappropriate advertising as an example, or unethical conduct on a major scale) simply contacts one of these volunteer listening posts. The one contacted in turn contacts the others and depending upon the situation, the square dancers across the nation can be alerted within a few hours. The following people are just a phone call away. Bob & Dottie Elgin, 412-744-2015; Dan & Mary Martin, 404-736-2440; Vera Chestnut, 608-845-6622; Bob & Becky Osgood, 213-275-4725 (home) or 213-652-7434 (business); and Stan & Cathie Burdick, 419-433-2188 or 419-433-5043.
