FROM THE CHAIR

by Bob & Ellen Williams

Now that summer is over, we are looking forward to another great year of square and round dancing. Think about this, what will make it a great year?

Our dancing is truly friendship set to music. Let's not keep it a secret. Tell your friends about it and encourage them to join a class and become part of our dancing world. Help them find a class with your club or another club.

Join the Federation. Your Federation dues pays for "Squares and Rounds" magazine, which publicizes the dances and events in our geographical district. It also sponsors three Class Level Dances during the year and three Free Summer Dances. The District Officers and Committee Chairmen are here to serve you. Support us by joining and coming to the Membership Dance on November 1.

To protect you and your club, be sure you are insured. Insurance is available as a group through the District and

Federation.

The Pennsylvania State Federation has arranged for the Prestige License Plates that are now on over 700 cars. They are also trying to have Square Dancing declared the State Folk Dance. Please join the State Federation through your club to support these and other efforts to further square dancing in Pennsylvania.

Come celebrate with us at the 31st Delaware Valley Square and Round Dance Convention on September 17-19 at the Cherry Hill Hyatt. We hope to see you there for good dancing and good fun.

MEMBERSHIP UPDATE

by Bill & Dorothea Fish

Summer is nearly over and that means it's time for our membership drive. You and your clubs were very cooperative last year and made the work easy. We hope you will be just as helpful this year. If you have any questions, contact your ambassador who will be happy to help you.

Last year we had 849 members and we hope, this year, to try for the 1,000 mark. We would like to reach out to the dancers who may just need an extra reminder to rejoin the Federation. We will be distributing packets at the District Meeting on September 13. If it is possible, we would appreciate your club representative (or substitute) come to that meeting. We can answer questions about the packets and can save considerable effort, plus save on mailing

MEMBERSHIP & INSURANCE

by Roy & Marion Goerlich

To enhance membership in the Federation, it is suggested that the fees for membership and insurance be collected as one. The Districts still would handle the two forms "A" and "B" and distribute the Certificates of Insurance, plus the requests for special events. The Federation would always have to collect enough dues to cover the cost of insurance. The main drawback to this plan is that some clubs have very good insurance of their own and may not want to change. These clubs could be surveyed to determine their wishes. This and other problems could be worked out.

Perhaps the following hints will help your sewing to be more enjoyable if everything is close at hand and ready to use.

First of all, be sure your sewing machine is in tip top condition.

Secondly, gather together all the items needed, including your pattern. Be sure to fit your pattern to your measurements ahead of time, including the length.

Choose a good material. Some sewers wash their materials first. Have good, sharp scissors, pins, thread and various other items, such as a measuring tape, buttons, snaps, etc.

It will be most helpful to have your ironing board and iron close at hand. Quite frequently seams and darts need to be pressed before going on to the next step. A one-inch thick pad on your ironing board will prevent ridging of darts and seams. Also, press the dart in the correct direction.

When sewing slippery material, pin a towel over the end of your machine to keep the material from sliding.

Well, here's to another season of enjoyable sewing and happy dancing. See you next issue.

LIBERTY STARS: Our attendance average dropped during May and June. We suspect it was largely due to graduations and summer-type activities.

We hope to have an announcement soon as to where we will be dancing in September and next summer. Look on our current flyers for the location. We currently have three air conditioned loca-

tions in mind. Remember all dances held from October through May 1993 will be held at the Abington Friends School.

MOR-L FRIENDLY SQUARES: As our club ended its dance era -- June 27, all the clubs run by Bill Morrell would like to thank him and his wife, Vert, for all the wonderful years of dancing with them and enjoying their friendship. We sincerely appreciate Bill's dedication to square dancing and can't really thank him enough for all we've learned over the years. Bill and Vert are a giving and loving couple and have shared so much with us. Good Luck and God Bless You -- Bill and Vert. We look forward to dancing with you at your other square dance endeavors: exhibitions, one-nighters, senior center dances, etc.

+ + + + + + + + + +

POCONO SQUARES: With great regret we must inform you that we have folded as a club. When we failed to get a class for the third year in a row and the disappearance of our faithful dancers added up to retirement for our club.

John Kaltenthaler is still calling and Larry Davenport has moved on to California with a new job. We miss him and wish him good luck.

+ + + + + + + + + +

SAUCON SQUARES AND ROUNDS: The "hazy, lazy days of summer" will soon be over. Many of you have enjoyed visiting other clubs during the summer and making new square/round friends, as we have enjoyed our many visitors, too! Now, it's time to get back to dance lessons and classes for new and old dancers alike. (Check our schedule.)

Our Free Fun Night, this year, is on September 9, to introduce new dancers to square and round dancing. Ted Knauss will again be the instructor/caller for our square dance class which will begin on September 17. Pete & Mary McGee will instruct our round dance class which begins on September 16.

Dance with us "Down Memory Lane" for our 25th Annual Dinner Dance on September 27 at Tri-Clover Fire Co. in Orefield, PA. For tickets call Charlie & Pat Watters at 398-2743 or Bob & Jeanette Henry at 867-2351. This special dinner dance is sure to be a sell-out, so get your tickets early!

A GREAT COMPLIMENT

What is one of the nicest compliments that a caller/cuer can receive?

It's when a dancer comes to them privately after a dance and tells them, "We're never going to dance to you again!" (pause) "Because we never got a chance to visit the refreshment table!"

If the pause is just right, the compliment really hits home.

42ND NATIONAL REGISTRATIONS

by Charles & Margaret Bills

St. Louis had a dream -- the Gateway Arch. Now, the National Convention has its own dream -- to reach the top of the Arch in registrations for the year of 1993. Each step represents 300 registrations and when those steps come together, it will signify 25,000 registrations. We, as square dancers, know the big challenge ahead, but determination and working together can make it a reality. You can be a part of making it happen by registering to be there in 1993.

CLUBS OF THE MONTH FOR SEPTEMBER AND OCTOBER

by Ed & Marilyn Linkiewicz

The Club of the Month selected for September is the Lehigh Valley Bachelors 'n' Bachelorettes. For October the Stardusters of Berks County has been selected.

LEHIGH VALLEY BACHELORS 'N' BACHELORETTES

The Lehigh Valley Bachelors 'n' Bachelorettes is a singles club which welcomes singles and couples as members and guests. However only single members are allowed to hold office. The club dances to various guest callers every second and fourth Sunday of the month at the Northampton County Community College near Bethlehem, PA. The Bachelors 'n' Bachelorettes are proud that they have been selected to host the 1993 Dancearama for single dancers. The dance will be held at the Valley Forge, PA Convention Center over the Labor Day weekend -- September 3rd to the 5th. Information about the club can be obtained by calling the President, Henry Buffington at 215-838-6390.

STARDUSTERS OF BERKS COUNTY

The Stardusters of Berks County was the first square dance club formed in Berks County. This year they are celebrating their 30th anniversary. Bill Johnson was the club founder and first caller, calling from 1963 to 1970. He was followed for the next 20 years by Bill Kennedy, who retired in 1991. This year they will dancing to various guest callers, including on November 6th, Carl Hanks, April 17th, Henry Ferree and May 7th, Pete Diven to name a few. A special dance with Bill Tirrell from Memphis, TN calling and Al Spinks cueing is planned for March 20, 1993. The Stardusters will hold a One Nighter on September 15th to attract new dancers. In 1992-93, the Stardusters will continue to sponsor a New Dancers Class conducted by Jim Snyder as they have done so over the past few years. The Stardusters dance to various guest callers on the first Friday and third Saturday of the month at the Immanuel UCC Church on Waverly and Brobst Streets in Shillington, PA. Shillington is just southeast of Reading on Route 222. For club information, call Jack Gaylor at 215-929-8030.

THINK INSURANCE!

by Marian McKinney & Jack McFadden

We have continually stressed the importance of square dance clubs having Liability and Accident Insurance and, in fact, past history of actual injuries within

the Mid-East Penn District have proven us correct.

Perhaps, bringing up the subject in September may seem early, but with the start of this new season of dancing, officers should be certain to include insurance as a major consideration as they plan for 1993.

For those leaders who may be starting their reign and have had no experience in the matter of insurance, may we suggest you check with the current club member handling this year's insurance, and with the Mid-East Penn Insurance Representative, Marian McKinney, 4251 County Line Road, #76, Chalfont, PA 18914; 215-997-2804.

As of this date we expect 1993 insurance fees may increase 5¢ for a total of \$2.20 per person, a most reasonable cost considering the value.

Remaining unchanged for next year are: (1) Clubs must have all members signed up for insurance; (2) Clubs with less than 16 members will have a fixed fee of \$32.00; and (3) Class members are insured, but are not charged the fee.

If you anticipate being required to show a Certificate of Additional Insured for your dance location early in January of 1993, be certain that fees are collected and submitted prior to November 10, 1992.

The 31st Delaware Valley Square and Round Dance Convention on September 17-19, 1992 will commemorate our country's 500th Anniversary with the theme "America and You in '92" at the Cherry Hill Hyatt Hotel in New Jersey. Our committee's attire reflects this theme.

The convention presents callers and cuers from Canada and eight of our United States. There will be dance halls for square dancing from Mainstream through Challenge 2, and round dance halls for Phase I through Phase VI. A hall for Youth will be in evidence. Plans are set for a Solo Social on Thursday and

INSURANCE COMMITTEE

by Marian McKinney & Jack McFadden

Welcome back from vacation! It is now time to think about our insurance program. Clubs will start collecting your insurance dues in September and October. It is very important that you make certain that the square dance club carries insurance for its dancers. All clubs must have 100% of its members insured.

Your clubs insurance policy covers liability, medical and dental expenses.

Accidents do happen when you least expect them and you must notify your insurance representative of any accident within 20 days.

HAPPY SILVER ANNIVERSARY TO THE QUAKER EIGHTS

by Sam & Peggy Brubaker

On October 14, 1967, Art Landis and a few friends held Quaker Eight's first dance, with Bob Lambert calling. Art, with the help of his friends, spent many hours and months preparing for this evening.

In 1969, Hayes Herschler was hired as the regular caller, followed by Charles Kides in 1971. As time went on the club officers, with the backing of the members, decided to hire various callers.

The club has been blessed to have Frank Fertsch as their cuer for the past 16 years.

Classes have been held since 1985, and taught by Jim Snyder, who travels from Bernville (near Reading) every Monday night. Jim is a saint to us. Truly, we are also blessed to have Jim calling for us.

At our 23rd Dinner Dance, April 11, we

had the first of three planned celebrations, which will continue throughout the upcoming dance season. On October 24, we will celebrate with caller, Carl Hanks. On March 20, 1993, we are planning a Reunion Dance with caller, Jim Snyder. (Please watch for our ads in case of changes.) So, any dancers who took lessons and danced with our club, please notify one of the officers.

We presently dance at the Quakertown Elementary School, 7th Street and Park Avenue, Quakertown, PA. from September through May (8:00-10:30 p.m.) on the second, fourth and fifth Saturdays of each month.

Classes will start in September at the same location as our dances on Monday evenings.

Our Club Officers are: President, Sam & Peggy Brubaker; Vice President, Sewell & Mary Holsinger; Secretary, Don & Ann Poulton; and Treasurer, Jim & Dot Breisch.

Many thanks to our past officers for holding the club together so that square

CALLERLAB CONVENTION

by John & Mary Ellen Lachenmayer

The 19th Callerlab Convention was held at the Radisson Hotel and Pavilion on April 13-15, 1992 in Virginia Beach, Virginia. We attended as guests of Callerlab and representatives of the United Square Dancers of America, as Vice President of the Eastern Region.

Our Federation was represented with Bill & Martha Appleby, Bob & Joan Gaunt, Betsy Gotta, Jim & Doris Howatt, John & Freddie Kaltenthaler, Ray & Bobbie Kauffman, Ed & Mary Kerns, Ted & Dolores Knauss, Berris Plummer, Sam & Dolores Procopio, and Tex & Margaret Shipman in attendance. If there was anyone else there we did not see, we apologize for missing them.

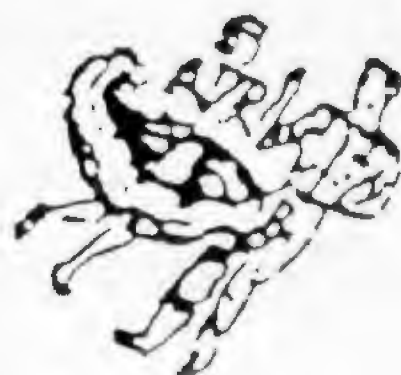

All conventions have numerous meetings, sessions, discussions - and this convention was no exception. There were sessions on all levels of square dancing. Sound Enhancement Systems were discussed, whereby a person, hard-of-hearing, can receive the caller's calls without hearing any of the usual background noises. The Community Dance Program was reviewed as was the Diamond Program by the Education Committee. A caller could attend a session covering any area he/she was interested in.

Our meals were all sit-down affairs, with eight people at a table. They were informal and where strangers soon became acquaintances, if not friends. Everyone was warm and friendly. The dinners were followed by entertainment by the "Red Boot Boys", who sang Grace on Tuesday night. It was very impressive.

Many presentations and awards were made after the evening meals. On Monday night, Jim & Doris Howatt received

EDUCATION REPORT:

The above list is Square Dance Classes in our area that will begin this month. I have listed the Jamboree nights for the clubs, remember that the classes start the following week, unless otherwise noted. As for Round Dance Classes, please give me a call at 215-843-9968 or see the flyers that have been made up.

If you have any questions or additional information please call, we will try to get the information as fast as we can for you.

an "Appreciation Award". On Tuesday night, Mike Seastrom, the Chairman Elect, gave his "State of the Union Address", outlining what he hopes to accomplish during his term in office. Callerlab's highest award, the coveted "Milestone Award" was presented to five people.

Callerlab is made up of six categories of members: Apprentice, Associate, Associate Licensee, Subscriber, Member and Gold Card. Their Executive Committee is composed of six members: three elected from the Board of Governors, the Chairman, Vice Chairman and the Executive Secretary (non-voting). The Board of Governors consists of 25 Elected Members.

The final wrap-up meeting was held on Wednesday morning. At this time all committees were called on to submit any report and any proposals they had. A voice vote was then taken, which has to be ratified by the entire membership, those present and absent. It was at this meeting that Betsy Gotta was informed that she had attained the rank or privilege, whichever is correct, of "Caller Coach". We offer her our congratulations because a lot of time and effort must have gone into reaching this goal.

Callerlab has established a Foundation for the Preservation and Promotion of Square Dancing. It is made up of the same Board of Directors, the same Executive Board, the same Chairman, and the same Executive Secretary - but with it's own By-Laws and accounting. They are a group of truly professional people, in every sense of the word, who, in our opinion, are always trying to upgrade themselves in order to provide us, the square dancers, with good, clean fun and entertainment. To them, for their warm reception and sincere friendliness, we say "thanks" for giving us the privilege to attend Callerlab.

SQUARE DANCER CREDIT CARD

The Square Dance Visa Cards (Classic and Gold) are like no other because they identify you as a square dancer while providing the benefits you have come to expect. For each card issued or renewed and for each purchase, MBNA America Bank will give us donations -- and the donations can be substantial.

Affiliates are encouraged to take advantage of this program and help promote it within their organizations. Dancers are urged to support the program and apply for the Square Dancer's Visa Card. The card is FREE of annual fees for the first year.

To apply, call MBNA America Bank at 1-800-847-7378 ext. 5000, 24 hours a day, seven days a week. It is very important that you cite priority code PGGC when calling.

For further information or bulk quantities of application forms for clubs or associations, contact the USDA Credit Card Program Chairman: Joe & Joy Vaccari, 227 Hughes Street, Fort Walton Beach, FL 32548; (904) 243-9484.

LEGACY INTERNATIONAL CONDUCTS A SURVEY

by Walt & Louise Cole

Legacy International, is conducting its 5th biennial survey during the 1991-92 square dance year. This survey, "New Dancer Longevity" is geared to trying to get a handle on the drop-out situation. Some of the housekeeping procedures followed the sampling methods used in the 1990 Legacy Census of the square dance population. A 10% sample was taken from the club contacts listed in the National Square Dance Directory. This meant mailing to 612 U.S. and 74 Canadian contacts; a total of 686. Each contact was asked to submit the names and addresses of those "drop-outs" in December, January and April; 24% of the contacts responded. In turn, each of the

drop-outs were then sent a questionnaire as to: (1) Why did you enroll in a square dance class? (2) Why did not you continue in this class? and (3) Comments. These responses were compiled, categorized as to reasons and analyzed by the survey committee, Legacy, and results were made available by the National Square Dance Convention during Legacy Seminars.

Some interesting data from club contacts are: 16% of the clubs had no drop-outs in December; 30% of the clubs did not offer a class; and 8% of the clubs had folded. (This is a total of 38% of potential growth.) The average class size reported was 21 students. The average number of drop-outs per class was six or a 28% drop-out rate in December; January and April rates, are, at present, substantially less. Six clubs had no drop-outs during the entire year!

One very illuminating appearance of the drop-out response is that most are very positive and intend to rejoin a class next year.
