## MEP DISTRICT MEETING

Sunday, November 14, 1993  
First Federal Savings & Loan  
Perkasie, PA

It's a little early, but let me be the first to wish you all a Happy and Prosperous New Year, coming shortly after a Merry Christmas and a Joyous Hanukah!

## FROM THE CHAIR

by Aaron Silverstein

Time moves on and soon it will be a new year. Let's all pull together - dancers, callers, cuers and clubs. We have to work together to make square and round dancing what it should be and was in the past.

Some clubs are having problems with attendance. (Overall attendance at dances has come down.) Let's try to visit other clubs and try to bring new dancers into our midst.

If you have any ideas that might help, please bring them to the attention of your club and district leaders. My father once told me, two heads are better than one, even if one of them is mine! So let's put our heads together and make the Mid-East Penn District stronger and better!

At this writing, we are distributing Balloon Launch tickets to all clubs to benefit the Friends of the Handicapped. Please support the District actively for fundraising. Make arrangements to help by participating, attending the dance and buying Balloon Launch tickets. The Friends of the Handicapped help many, now let's help them!

## MEMBERSHIP UPDATE

by Bill & Dorothea Fish

By the time you receive this issue of *Squares and Rounds*, you should have already renewed your membership in the Federation through your club representative. We will be collecting all dues at the dance on November 7, at Quakertown Elementary School, when your representative turns in all the memberships for your club. If your name is among the ones turned in, it will guarantee your receiving the January/February issue of *Squares and Rounds* due out at the end of December. In the event you have not renewed your membership, the very last date to be included in the next mailing of *Squares and Rounds* will be November 14, when the Mid-East Penn District will meet in Perkasie, PA for its bi-monthly meeting. Won't you help your club be a 100% club this year?

## SQUARES AND ROUNDS

"Squares and Rounds" is published bi-monthly by the Mid-East Penn District of the Delaware Valley Federation.

## INSURANCE NOTES

by Marion McKinney & Jack McFadden

It's that time again. Your insurance premiums should have been paid by now. There was no increase in rates this year, but remember that each club must have 100% enrollment of all club members to obtain this insurance. If you belong to more than one club, you only have to pay your insurance at one club.

Not only are the dancers covered by this insurance plan, but the dance sites are also covered. Today, most dance sites are requesting insurance coverage before a dance can be scheduled. This is a benefit that is provided by your Federation.

## FEDERATION UPDATE

by Ed & Lois White

As you have read in previous publications, our Federation is going to bid for the 1999 National Convention. There will be much to do preparing for the bid submission at the National in Portland, OR in 1994. It is hoped that dancers will consider lending their talents when the Bid Committee asks for volunteers. More information on this in the future.

During the National Convention at St.

Louis, MO, two cities were awarded future National Conventions: 1997 - Orlando, FL; and 1998 - Charlotte, NC.

Upcoming sites for the National Convention are: 1995 - Birmingham, AL; and 1996 - San Antonio, TX.

## "COME FLY WITH ME"

by Darrell & Dottie Lewis

What's needed to have a good convention? First, comes the location, then a staff of excellent callers and cuers, followed by an energetic convention committee who are willing to spend two years of their life with planning, visitation, etc. and the support of all our Federation clubs and Delaware Valley dancers.

The 32nd Convention provided all of the above, and the dancers who came to the "Come Fly With Me" Convention had a good time. Oh's and ah's were heard everywhere as dancers showed their appreciation of the beautiful hot-air balloons in all the dance rooms, and the bright touch of teal, red, yellow, and blue everywhere. The Opening Ceremony was most impressive when the skyline of Philadelphia was lit to welcome everyone to the 32nd Convention.

The committee thanks everyone who came to the Convention, including our

Jewish friends who supported us during the holiday. Also, to the many clubs who canceled their dance night to attend the Federation sponsored Convention, we send a big "yellow rock" to you. The 32nd Committee worked together for two years planning a great Convention for Delaware Valley. Special thanks to our General Chairmen, Dick & Betty Tirrell, for everything.

Make plans now to attend the 1994 Convention: September 22-24, 1994 at the Cherry Hill Hyatt, Cherry Hill, New Jersey.

**YELLOW ROCKERS:** Our Labor Day Campout was enjoyed by all who attended. We also held our General Membership Meeting and our Campouts for 1994 were planned and committees signed up. We are very sad to see the camping season come to an end for another year.

We hope to see everyone at our Anniversary Dance on November 6 at Christ Lutheran Church in Hellertown, and also at our Christmas Dance on December 4 at the same location.

We are planning to host National Caller, Ron Libby on January 16, 1994 at St. Joseph's Church on Orefield, PA. Then, on February 6, 1994, we will hold our 18th Annual Dinner Dance at the American Legion in Hellertown, PA.

We would like to wish everyone a Happy Thanksgiving and hope everyone has a Merry Christmas.

FOR THE DAY OF THE DANCES REFER TO CALENDAR PAGES

## CLUBS OF THE MONTH FOR NOVEMBER/DECEMBER

by Joan Meyers

The Club of the Month for November is Perky Promenaders, and for December, the Club of the Month is the Eastonaires.

### PERKY PROMENADERS

The Perky Promenaders celebrated their 30th Anniversary during their July 7th dance. Burl Lally called squares and Peg Dockry cued rounds. Burl and Peg, who are the regular Wednesday night caller and cuer, geared the dance so all were able to participate. Invitations were extended to many couples who had been active Perky dancers throughout previous years, and the turnout was outstanding.

A Pearl Momento, representing a symbolic 30 years, was presented to all who attended. It was good to see so many of the people who were dancing at the Perkys during their early years in attendance. A beautifully decorated birthday cake was enjoyed by everyone.

The Perky Promenaders began dancing in Mike Law's basement in Oaks, PA 30 years ago. Gene Pulcher was the original caller who taught the classes that got so many of the Perkys started in dancing. In 1969, George Potts began

cueing rounds and after a few years began sharing the calling with Gene. During 1973, George began both calling squares and cueing rounds.

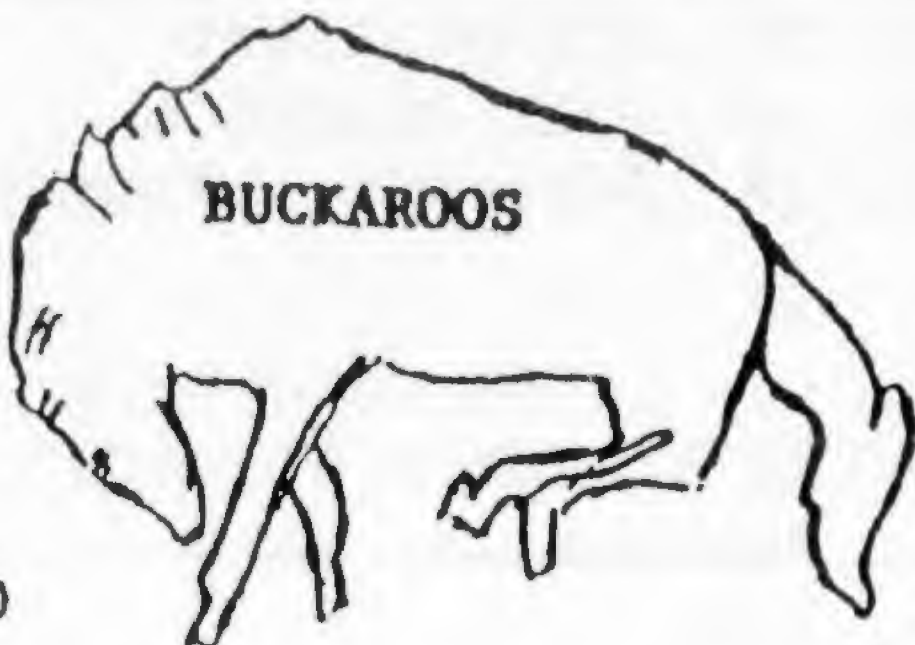

Beginning in 1985, various callers and cuers called and cued for the Perkys after George Potts stepped down. Club traditions include Soup Night on the first Wednesday in November, a Christmas Party at the first dance in December, and the Perkys Picnic - usually in August. Most of the Perky dances feature a theme that adds a little extra touch of interest for club members and guests. This will mark the third year that Burl Lally has been teaching a Beginner's Class and has a follow up Plus Workshop during the summer months to bring new dancers up to plus speed. Beginner's lessons are held at Asbury Methodist Church in Norristown, PA.

The Perky Promenaders dance at the Church-On-The-Mall, cinema entrance, on the first and third Wednesday of the month. Square tips are alternated with rounds - requests welcomed. There is a Perky ad in each issue of *Squares and Rounds* that lists club dates, callers and cuers, as well as the scheduled activities. We love to have visitors and all plus dancers and round dancers are welcome at all Perky dances.

celebrate their 17th Anniversary. Founded by caller, Clare & Pat Barnes, the club became independent in 1981 when the Barnes' retired from calling. At that time the club hired Dalt Young, who has been their caller ever since.

Last spring, the First United Methodist Church in Easton, home of the Eastonaires, undertook some extensive renovations. After sidestepping boards, nails, and paint cans, after sweeping sawdust and plaster dust, after wiping chairs and counters every week, the church hall is in great shape. They even have a new elevator to take to the rest-rooms on the upper floors.

This season, Dalt is doing all singing call nights on the third Monday of each month. The club will observe special occasions on the Monday night's near Valentine's Day, St. Patrick's Day, Mother's Day and Father's Day. An Amateur Caller's Night will be held on April 11th. The Eastonaires urge all who wish to call to sign up or let Dalt know.

The club is hoping that as the season

progresses, more of their members will return and new friends will come out to see that a warm, friendly, fun-loving club is dancing in Easton every Monday night. There is ample free parking in a well-lit lot behind Hotel Easton.

## THE GARDEN OF FRIENDSHIP

by Marion McKinney & Jack McFadden

As everyone, who attended the 32nd Delaware Valley Convention knows, "The Garden of Friendship" is the theme of the 33rd Delaware Valley Convention. The dates of the Convention are September 22-24, 1994.

Joe & Betty Mathers and their committees are hard at work to make this Convention a huge success. They have an excellent list of callers and cuers. The callers are: Kevin Robinson, Gary Brown, Mike Callahan, Lee Kopman, Tom Miller, Ed Foote, and Tim Crawford. The cuers

## GOOD HOUSING EQUALS A GREAT CONVENTION

As anticipated, hotels and motels within walking distance of the Oregon Convention Center filled quickly after the Pre-Convention in March, 1993. There was a flood of early registrations for the 43rd National, June 22-25, in addition to the Seedling Certificate conversions.

The good news is many excellent hotels are still available in and around Portland with a variety of rates and good transportation support. Many hotels are located downtown, across the Willamette River from the Convention Center. Others are clustered near the Portland International Airport on the east side of the city. Some are located on the north edge of Portland in the Jantzen Beach area. A convention shuttle bus system will operate with frequent service to these areas. In addition, the MAX light rail runs past the Oregon Convention Center with stops near many hotels. A four-day shuttle bus pass is \$15.00 when purchased in

advance on the registration form. MAX passes many be purchased during the convention. For hotels not serviced by convention shuttle, there are park and ride stations for the MAX line and public bus systems. Portland's development and traffic concepts emphasize use of public transportation, with limited parking at the Convention Center and other public gathering places.

Enthusiastic volunteers are busy processing registration forms and preparing for an expected 25,000 dancers. There are plenty of hotel rooms available, but if a problem should develop, please contact the Registration Office at P.O. Box 5906, Salem, OR 97304-0906. We can serve you better if we have a written statement of your concerns.

## **BILL MORRELL... REMEMBERED**

by Emily Pudvak

Bill & Vert Morrell learned to square dance, eastern-style, in the mid 1940s just after World War II. He was bitten by the same caller bug that nipped others of the era, including: Mac McKenrick, Bill Johnston, Gordon Lentz, and Buck Fish. Bill began calling in 1948; it was an avocation that was to span 45 years.

Bill joined the Dance Leaders of the Delaware Valley in the mid 1950s and, as a caller at Sleepy Hollow, was an active booster and participant in the annual Bux-Mont Festival, the one-day forerunner of today's Delaware Valley Convention.

In those days, caller and teacher were synonymous. Bill's dream of his own square dance hall was realized in 1956

when the Morrell's moved to Pottstown, PA. With the aid of an encouraging spouse and some downright hard work between them, they established the Mor-L Squares that very same year. Western-style dancing was introduced in 1958 and the Morrell's added Circle M and Friendly Squares to their list of clubs. By 1962, the roster of clubs dancing in the hall were completed with the Twirl-A-Rounds and averaged 40 members per club. Club dances, lessons and workshops for squares and rounds made the hall a hive of activity.

Callers rarely missed an opportunity to promote the dance and so it was with Bill's schedule of one-night stands, exhibitions in malls and church buildings, and the annual square dance contest at the Pennsylvania Farm Show in Harrisburg. Bill retired from his business in 1972 - but not to slow down. New Senior Center clubs were added in Reading, Phoenixville, Downingtown, and Boyertown, PA between 1976 and 1991. "They inspire me," he said. "Those seniors never want to stop!"

Bill & Vert were part of many Delaware Valley Conventions over the years and they helped to host both Nationals: Hospitality in 1967, and Showcase of Ideas in 1977.

The last club at the hall closed in 1992. Bill was active with the senior clubs until his sudden death. The Morrell's were married for 59 years and Bill was approaching his 83rd birthday.

## **ADVANCED AND CHALLENGE PROGRAM SET FOR 43RD NATIONAL CONVENTION**

The program being prepared for Advanced and Challenge level dancers at the 43rd National in Portland, OR, June 22-25, 1994, is one of the most extensive ever offered. The fun starts on Wednesday evening, with Trail-End Dances in the A-1, A-2, C-1 and C-2 halls. A C-3 hall will be added for dancing on Thursday, Friday and Saturday from 10:00 a.m. until 10:00 p.m. There will be Advanced and Challenge After-Parties

on Thursday, Friday and Saturday nights from 10:00 p.m. until midnight. Signs will be posted outside each Advanced and Challenge hall with a list of the Callerlab moves which will be called in that hall, to avoid confusion among dancers. For those wishing to explore the next level of dancing, there will be daily workshops in the following areas: Introduction to A-2 for A-1 dancers; Introduction to C-1 for A-2 dancers; and Introduction to C-3B for C-3A dancers. For the first time in convention history, we will offer Introduction to C-4 for C-3 dancers.

Every afternoon, there will be a workshop in each hall, featuring movements that the callers feel are giving dancers trouble. All floors in the Advanced and Challenge halls will be either wood or hardboard, with the exception of the A-2 hall, which will be smooth, polished concrete. All halls will be in the Oregon Convention Center, except for the A-1 hall, which will be across the street in the Portland Conference Center. The halls will hold from 20 squares to 160 squares. Ted & Doris Litchfield of Salem, OR are the Vice Chairmen of Advanced and Challenge dancing.

## **WHAT DOES THE FEDERATION DO FOR ME?**

Each year someone from the District or your club approaches you, the dancer, and callers, to join the Delaware Valley Square and Round Dance Federation. And each year the same question echoes throughout the four Districts, "What does the Federation do for me?"

The Delaware Valley Federation is a federation of dancers, not clubs. This means our constitution and by-laws prevent our Federation and Districts from having any direct involvement with the clubs. Everything they do is directed toward the dancer.

The amount you pay for membership, each year, is less than a ticket to a movie. Usually all the money received comes back to your District, unless the Federation project budget has a deficit. The Federation can vote to direct half of the funds collected to the District and half to

the Federation.

## **THIS IS WHAT THE FEDERATION CAN DO FOR YOU!**

1) Each District has a free dance annually for anyone who is a member of the Federation. You may attend all four District dances.

2) They pay for the Mainstream and Plus booklets which are given to the clubs and callers for their class students.

3) They pay for diplomas for new graduates.

4) They fully fund the Officers Ball.

5) They have the "Where To Dance" booklets printed.

6) They help with the cost of the District paper.

7) They pay for membership in organizations such as the United Square Dancers of America, the Square Dance Council of New Jersey, and the Pennsylvania State Federation. (Some of the things these organizations have provided for our dancers are: low cost insurance, club loans, car license plates, and much more.)

So when someone approaches you to join the Federation, just think of all the benefits and be proud to get your membership card.

Let's talk "Petticoats"!

Perhaps petticoats have been a problem for you. Such as what one to wear with what outfit. Also, how to keep them clean and fluffy, or a new look with what you have.

A few ways to solve "what to wear" would be to pick out a petticoat to match the color of your dress or to match the background color of your dress. Wearing

either of these colors will accent your outfit nicely. Or, why not try a multicolor petticoat which will go with a lot of outfits. Also, try wearing two different colored petticoats at the same time, putting the brightest one next to your dress (or whatever looks best in your opinion). You could also try sewing bias tape or ric rac around the bottom edge of the petticoat. This will take a lot of folded bias tape, but it gives a nice effect to change an older petticoat.

Manufacturers are coming out with improved materials for petticoats. The latest is Crystal and Lace. They are quite durable and hold their fluffiness.

Keep your petticoats in good, clean condition, but try not to wash them too frequently. Only wash the waist or cotton area. It is recommended not to use fabric softener. The crystal petticoats should fluff right back after five minutes washing in cold water and soap. Remove the petticoat after the rinse cycle and smooth out all the wrinkles. Lay the petticoat (dripping) in a circle on a sheet or towels

to dry. An open umbrella can also be useful for drying the petticoat. Or, fluff dry (no heat) the petticoat just long enough to dry the nylon.

Put your petticoat in a pillowcase for storage. Do not hang it on a hanger.

Good luck, good dancing, and see you next issue.

makes our Federation different than most other federations and associations is the fact that we are a members federation, not a club federation. In most other federations, each club in good standing is allowed one vote on all matters including the election of officers. In our Federation there is a Board of Directors consisting of four officers and the chairmen, and four delegates from each of the four districts. These 48 people are the only ones allowed to vote at each of the Federation business meetings on all matters pertaining to our Federation.

Do you and your club officers know who your delegates in your district are? In order for our Federation to work, each club representative must be in contact with the 10 voting delegates at the district meetings. At each district meeting the chairman must know what the Federation will be voting on at the next meeting and present each item to the club delegates so the Federation delegates will know how to vote at each Federation meeting.

A simpler solution might be to change the by-laws to allow each club to be represented and to vote at all Federation meetings. This would allow each club to be a part of each and every decision made by the Federation.

Your comments and views are welcome.
