Have a happy accident-free vacation season and I hope to see you on the dance floor somewhere.

HAVE YOU SEEN ME?

I'm lost and I miss my twin brother! I'm a little stuffed rabbit dressed in my new convention dress with a yellow apron. Please call my mommy to come and get me. My mommy's name is Marion and she can be reached at 672-5334. Thank you!

INSURANCE NOTES

by Marian McKinney

By now all the participating clubs have received their insurance certificates. More dance locations are now requiring insurance coverage against any liability. This is to our advantage since all officers of the club and the hall itself are covered.

As individual dancers you are also covered by our insurance policy. It is so easy to drop your guard and have an accident. Just make certain that your insurance chairman is notified of your accident immediately for the proper paperwork.

Last year's insurance cards are still

**TRAIL DANCES
 LEAD TO PORTLAND**

The Program Committee of the 43rd National Convention would like to invite you to attend one or more of the Trail Dances being held along routes that lead toward Portland, Oregon.

Trail Dances, or Trail Through Dances, will be held throughout the region during the week prior to the convention. For more information, or to receive a list of Trail Dances, write to: Trail Dance Directors, Marvin & Tana Baker, 25080 Territorial Court, Veneta, OR 97487 or call them at (503) 935-7580.

If you are traveling from the north, the Washington State Square and Round Dance Festival is being held the weekend before the 43rd National Convention, June 17-18 in Kennewick, WA. Dancers in attendance there will be within one day's drive to Portland, in time for convention tours and sightseeing.

would like to clarify that Trail Dances are different from the Trail End Dances that will be held at the Oregon Convention Center and the RV Camp on Wednesday evening, June 22, as a part of the 43rd National Convention. Trail Dances are sponsored by local clubs and square dance councils as an activity to share with dancers traveling to Portland, but are not officially sponsored by the 43rd National Convention.

The Trail Dance Committee is anticipating lots of participation at Trail Dances, judging by the number of RV's already registered. If you are planning to travel to Portland by car or RV instead of flying, why not plan to join the party?

We look forward to seeing you at the Pennsylvania State Camporee in Shippenburg on May 20-22.

Come join us for a grand time at Otto's Camping Resort, 1500 Rock Street, in Lehighton, PA on June 17-19. During the weekend, on Saturday night, June 18,

43RD NATIONAL TOURS

If you are planning to attend the 43rd National Convention in Portland, OR, June 22-25, you might consider taking some time out to catch one of the following tours:

Portland City Tour - Wednesday through Saturday (9:00 a.m. to 12:00 noon; and 1:00 to 4:00 p.m.). It's just a short drive into the forested West Hills and the sprawling Washington Park. Here we will visit the world-renowned International Rose Test Gardens that overlook downtown Portland. You will have time to stroll through the gardens with the fragrance of the rose blossoms to accompany you. Our tour then winds through the Arlington Heights neighborhood where you can view the many

lovely home on your way to the Pittock Mansion. While touring the 1914 National Registry property, you will learn how Henry & Georgiana Pittock contributed to the growth of Portland. The view of the city from the gardens surrounding the estate is truly outstanding. On your way back to the Convention Center, the business district, Waterfront Park, and other sites of interest will be visited. Time: 3 hours.

Multnomah Falls Tour - Wednesday through Saturday (9:00 a.m. to 1:00 p.m.). You will leave Portland on I-84 going east along the Columbia River to Multnomah Falls. The beauty of these falls, as they cascade 620-feet to the river below, and the elegant lodge makes it one of the most photographed falls in the United States. On the return trip to the city, you will follow the historic Columbia River Scenic Highway through mossy-rocked forests. Additional waterfalls dot the landscape. After reaching Portland, we will climb through the West Hills section to the historic Pittock Mansion where you will have time to stroll the gardens and take in the spectacular view of the city. We will stop at the World Forestry Center on our way back to the Convention Center. Time: 4 hours.

Oregon Coast Tour - Wednesday and Friday (9:00 a.m. to 5:00 p.m.). At the mouth of the Columbia River, where it empties into the Pacific Ocean, the first settlement in Oregon, Astoria, will be waiting to welcome you. You will visit the Astoria Column which overlooks the city. Climbing the stairway to the top will be up to the individual; some people thrive on challenges! Making our way down through the historical residential area, examples of early architecture are apparent. We will stop and tour one of the finest maritime museums in the northwest. Continuing on to Fort Clatsop, a stop will be made to view the winter encampment of the Lewis and Clark Expedition. You will then travel south along the Pacific Coast Highway to Seaside. Here you may stroll along the beach or boardwalk while enjoying the pounding surf of the Pacific Ocean. We will cross the Coast Mountain Range on our way back to Portland. (A boxed lunch is included.) Time: Approximately 8 hours.

Wine Country Tour - Wednesday and Friday (9:00 a.m. to 2:00 p.m.). It is easy to see what makes Oregon's scenery so special. On our winery tours, we see rolling hills, beautiful farmlands, well-manicured orchards, world-class wineries, and picturesque vineyards. We will visit two wineries for a guided, narrated tour of the processing plant, visit the charming tasting rooms, and browse through the gift shops. While motoring through the lovely valleys, Mt. Hood is ever visible in the distance. (A boxed lunch is included to be enjoyed on the winery grounds.) Time: 5 hours.

Mount St. Helens Tour - Wednesday through Saturday (9:00 a.m. to 3:00 p.m.). This is an adventure you won't want to miss! On the morning of May 18, 1980, the peaceful serenity of the Cascade Mountains was shattered by a massive volcanic eruption. Within seconds, a 156-square-mile swath lay devastated and ash billowed 11 miles into the pristine blue sky. Words cannot describe the stark beauty that greets your arrival. Millions of trees lying on the ground like match sticks, a new Spirit Lake has been formed, and the vast crater dominates the scene. All is as it was on that day, but in testament to nature's durability, wildlife, and plants are already reappearing. Make sure your camera has plenty of film in it, because you will want to share your many experiences with others. (A boxed lunch is included.) Time: 6 hours.

Mt. Hood and Columbia Gorge - Thursday and Saturday (9:00 a.m. to 5:00 p.m.). Treat yourself to one of the most outstanding excursions in the Pacific Northwest through a scenic wonderland. This snow-capped majesty dominates the horizon as you leave the valley and enter the forest-covered slopes of the Cascade Mountains. You will follow the historic Barlow Trail to Government Camp. From here it is just a few miles to Timberline Lodge, built during the great depression, located at the 6,000-foot level of Oregon's highest mountain peak. You will have time to photograph the local scenery, or maybe play in the summer snow. Departing Mt. Hood, you will be passing through the famous apple and pear orchards of the Hood River Valley. The town of Hood

River has recently been recognized as the windsurfing capital of the world. A stop will be made in Hood River to allow time for lunch and sight-seeing on your own. Your return trip to Portland, west along the Columbia River, offers an opportunity to view the Columbia Gorge. Time: 8 hours.

Capacity for all tours is limited. The pre-registration deadline for all tours is May 15. Transportation for all tours will be on air conditioned motorcoaches with informative drivers and guides.

Reserved tickets may be picked up at the Convention Center, Tuesday through Saturday, from 9:00 a.m. until 9:00 p.m. Tickets for all tours will also be sold on a space available basis at the Tour Booth.

For more information and/or prices on the tours being offered by the 43rd National Convention, write to: 43rd National Square Dance Convention, P.O. Box 5906, Salem, OR 97304-0906.

"Let's go
Dancing"

FEDERATION UPDATE

by Ed & Lois White

The Delaware Valley Federation has decided to support four annual special dances, one from each of the four districts, each year.

The first of these dances, held on March 20, 1994, was the Dance to Benefit the Friends of the Handicapped in Fort Washington, PA. sponsored by the Mid-East Penn District.

The second dance, held on April 10, 1994, was the Penn-Jersey Welcome Dance, sponsored by the Penn-Jersey District.

The third dance, sponsored by the Pen-Del District, will be the Pen-Del Summer Dance held on July 17, 1994.

The fourth dance, sponsored by the Bucks-Trenton District, will be held on October 16, 1994.

We hope this new concept of all Districts supporting each other's special dances will increase the attendance at each dance.

Attention Dance Schedulers! Please remember to contact Doug Vollmer at (609) 456-1949 before you set a date for a special event dance. His Federation-sponsored Events Calendar will reveal whether or not your date has already been reserved for a different event, which will adversely affect attendance at both events.

Remember, all dancers in the Federation are potential attendees. For the good of all Federation dancers, let's not compete with ourselves.

An ever growing number of square dancers round dance as well. Our visiting different clubs in the Federation reveals regularly danced in one club are not similar to those regularly danced in another, except, of course, for the old

favorites. Isn't about time to have Federation cuers get together to establish a "Round Dance of the Month" to be taught briefly during that month? This could quickly result in a long list of new dances that will be familiar to all visiting club dancers. It may also provide a further incentive to dance around, making it financially beneficial to each club.

A TRIBUTE TO BUCK FISH

by Ralph & Helen Watkins

We are deeply saddened by the death of our dear caller and friend, Buck Fish. We feel so very lucky to have had Buck as our teacher and friend. All of us who have been touched by Buck's magical charm and patient training have been blessed with a great gift. Being such a natural as a teacher and dancer, Buck made the most difficult lessons fun. He

had such a patient manner and he never tired of repeating and demonstrating the correct procedure for a difficult call. Buck always made strangers and beginners feel welcome and comfortable.

Buck's life was centered around the square dance world and he will always be remembered for his endless contributions to the cause of square dancing as founder, teacher, caller, entertainer, and missionary in inspiring new dancers to join the ranks. He felt that it was imperative to gain new members if we are to keep square dancing alive. No matter how weak or ill Buck became in his last days, his thoughts were about square dancing and how he might be able to help beginners and encourage new dancers to join.

Never once during our many conversations, did we hear Buck utter an unkind word or remark about anyone. He frequently remarked that he held no grudge against any person. He added that people have their reasons for their actions, good or bad, and he did not feel it was his place to judge.

Buck has passed away, but his spirit will be with the square dance world forever. When we turn left instead of right, we may just feel a little nudge as he taps us with his sponge bat. Buck is probably very busy organizing a square dance in Heaven. And we know very well that he is enjoying the rewards of Heaven after enduring so much suffering and always maintaining the highest integrity as he travelled the journey of life.

The poem printed below was taken from a plaque on the wall of Buck's home where he held his classes. We printed it previously on another occasion, but we feel it bears repeating as it describes Buck to a "T".

*"Once in a while we meet someone,
Someone who flies higher and faster
and farther,
Than we ever thought possible,
And helps us do the same.
Someone like Buck!"*

Thank you all. Your kind expression of sympathy was deeply appreciated and is gratefully acknowledged.

WITHDRAWAL OF BID TO HOST THE 1999 NATIONAL SQUARE DANCE CONVENTION

by Darrell & Dottie Lewis

With great disappointment, we wish to inform you that the Delaware Valley Square and Round Dance Federation will not be bidding for the 1999 National Square Dance Convention at the 43rd National Convention in Portland, OR, in June of 1994.

After many meetings, contacts, and negotiations with the Pennsylvania Convention Center, we have been unable to agree upon a favorable contract that we feel would be financially beneficial to the Delaware Valley Federation. Therefore, we are recommending all activity for securing the 1999 National Square Dance Convention in Philadelphia, PA be ceased.

We wish to thank Steve & Dorothy Musial, our Advisors from the National Executive Committee, and Clarence & Juanita Dye, our Chairmen-Elect, for all their time and efforts in working with the negotiations for the 1999 National Convention.

The National Executive Committee has been advised of the Federation's withdrawal for the 1999 bid to hold the National Square Dance Convention in Philadelphia, PA.

Hopefully, after the newness of the convention center facility has passed, Philadelphia will be more anxious to assist in hosting a national square dance convention. Many thanks to all the dancers who planned to support us with their attendance in Portland in June. Your loyalty and enthusiasm is deeply appreciated by the Federation.

CLUBS OF THE MONTH FOR MAY AND JUNE

by Joan Mayers

The Club of the Month for May is Lehigh Valley Cloggers. No club was submitted for the Club of the Month for June.

LEHIGH VALLEY CLOGGERS

It all began in January of 1990 when Brendan McCarthy of New York City and myself, Mary Snyder of Glen Gardner, NJ, were contacted by the Bachelor's 'n' Bachelorettes of Lehigh Valley to teach ten one-hour clogging sessions before their square dances on Sunday afternoons. The first ten-week session was extended to a second ten-week session.

By that time it was summer and we, no longer being sponsored by the Bachelor's 'n' Bachelorettes, were beginning to go out to do small shows. We incorporated and became The Lehigh Valley Cloggers, Inc.

Northampton Community College provided us with a room apart from the square dancers. We started a new class, which added our first two youngsters to our group.

We continued teaching and practicing every Sunday. By the following summer, we had extended our repertoire to the point where we could put on a one-hour show, and along with our smaller shows, we booked into some big ones like the Musikfest and the Muhlenburg Hospital Festival.

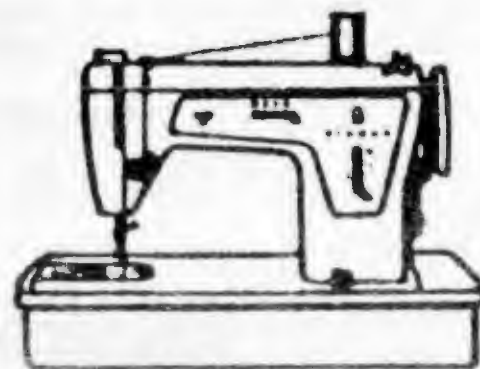

We have continued to offer classes each year and were soon teaching for seven hours on several different levels every Sunday. When we could, last fall, we were even running another room with the help of two of our dancers as additional instructors.

We have also increased our number of shows. Last summer, we had so many shows that throughout July and August we were only able to practice on two Sundays.

We firmly believe that clogging is for all ages, but we remained primarily an adult group for several years. Then we began to work separately with the children, even

if we only had one child in a class. Now, we have ten children in class and are looking forward to having them perform with us this summer.

We are presently in the process of finding a new location to dance at. We would love to have you join us some Sunday afternoon, but please call Mary Snyder at (908) 537-2564 first to see where we are dancing.

RUTHIE'S SEWING BASKET

by Ruth McLay

Well, "hello there!" I'm finally back once again after a few months.

I'd like to try a different slant in my articles. Perhaps more variety and something of different interest for everyone.

By the time this writing appears, everyone will be thinking of vacations, outdoor and indoor picnics, and barbecues, whether at home or with your square dance club.

As many things are Country Western oriented these days, there's a good chance that one of your picnics or barbecues could have a Country Western theme, especially as far as the decor and food are concerned.

Instead of just following the usual procedure, why not do a little beforehand preparation. A good way to get together with friends, of you care to, or surprise your guests when they arrive, is with your own handiwork.

Items needed: (1) Placemats - Either purchased or made from construction paper and light blue in color to look like denim; (2) Napkins - Red in color; and (3) a White Crayon Pencil or White Yarn and a Needle if you do not have a crayon pencil. Don't use marking pens as they may bleed.

On your placemats with a crayon pencil, draw a broken line about 1½ inches from the edge. This will make it look like denim. Then, out of another piece of light blue placemat or construction paper, cut a square 4"x4" and paste only three edges of the square to the left-hand side of the placemat. This will form a pocket for your napkin. Be sure to paste the pocket low enough to accomodate the napkin so it does not go above the top of the placemat.

Next, cut out a boot shape, whatever size you like. Then, type or write your menu on a piece of paper and paste it on the boot. (Leave a blank space on the menu to put the person's name.)

Serve beef barbecue, some call it a Sloppy Joe, corn on the cob, baked beans, etc. It's your choice. Try to make it Country Western oriented. Do your own thing.

This idea can be used for small or large groups. Don't forget to list your utensils on your list, as you eat with whatever you choose.

If anyone would like more details, please send me a S.A.S.E. and I will be glad to help you out.

In the next issue, I will be telling you about a game that can be played with this same arrangement. Happy dancing and many square dance friends along the way.

THE GARDEN OF FRIENDSHIP

by Marian McKinney & Jack McFadden

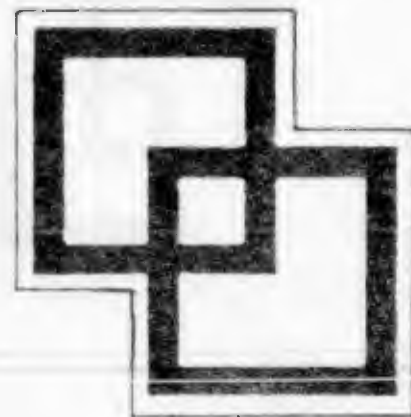

The Committee for the 33rd Delaware Valley Convention is hard at work to make this convention better than ever. We will have square dancing from mainstream to advanced, all levels of round dancing, country western dancing, and a youth program.

At this time, the committee is making appearances at various clubs and special events. Some of the special events we have attended are the Dance to See, the ARC Angel's Handicapable Dance, and the Northern New Jersey Minifest. We expect to attend the Bucks-Trenton

Special with Mike Callahan, the Dance for the Handicapped, and Liberty Star's Special with Steve Kopman and Bill Harrison, plus many other club dances.

We have been very welcome at all the events that we have attended and have received many compliments on our outfits.

We are inviting all of you to our "Garden of Friendship" where there will be a sewing clinic, fashion show, and dancing for everyone. We are hoping to see all of you in our special garden.

REMEMBERING ROY SHUBERT

Roy G. Shubert, 76, of Devon, PA, former vice president and general counsel of Provident Mutual Life Insurance Co. in Philadelphia, died on January 17 at his home.

Roy enjoyed square dancing and founded the Edge Hill Squares, a dance group in North Hills, Abington Township, PA. He also called square dancing and was a member of Callerlab, and international group.

CORRECT ZIP CODES

We are requesting that everyone submit their up-to-date zip codes to their club leaders. The post office is using "Zip + 4", which is making delivery easier and faster.

Use your standard five-digit zip code, add a hyphen, and then your new four-digit code. It should look something like this: 12345-6789. If you don't know your "Zip + 4" code, just call your local post office, check your bills, or check your junk mail.

FEDERATION 800 NUMBER

by Doug & Jeanne Vollmer

At the same time the Federation Calendar was developing, the idea of an Information Hot Line was made possible. Jim Howatt offered to do the 800 number in conjunction with the Federation Calendar. This move made it easy to answer the many questions received over the phone by having such a complete source at the fingertips on the computer.

Later, we were joined by the Council of New Jersey in giving us information and handling half the costs. This venture has worked well and will continue to do so in the future.

A tri-fold brochure was developed several years ago for placement at the Greeting Centers that you find at the beginning of highways near the border of each state. There were about 30,000 of these brochures placed in many locations and areas that would have visitors to our Delaware Valley. Sadly, this project

was dropped due to the expense for what seemed like a minimal response. But you can say "at least we tried".

I will say that there are approximately 20 to 25 calls per month asking a myriad of questions and going in many different directions. The busiest time of the year is through August and September with questions on the convention and the start of classes.

Now, maybe you can see the necessity of feeding the computer with as much information as possible. This will facilitate the dispersement of accurate information and data. The more we know, the more we can help those who ask.

HELP US SELECT CLUBS OF THE MONTH

by Aaron Silverstein

Mid-East Penn's First Vice Chairperson and Publicity Chairperson, Joan Mayers, has been doing a terrific job selecting clubs to spotlight as Club of the Month. But sometimes her job is made difficult by the clubs. Difficult meaning, Joan continues contacting those clubs selected, but does not get the courtesy of a reply.

If your club is not interested in being honored as the Club of the Month, please have the courtesy to return Joan's call and tell her so. If, however, your club is interested, call Joan at (215) 766-7879. Thank you!

QUAKER EIGHTS HONOR JOHN MARTIN & GWEN DUBOIS

by Sharon Bobincheck

The Quaker Eight's Square Dance Club is happy to announce that we recently voted our handicapped couple, John Martin and Gwen DuBois, honorary members of our club. They were honored at our Dinner Dance on April 9, at which time they were presented with their hon-

orary badges.

Since September of 1991, John and Gwen have been participating in the Quaker Eights class and club activities. They have been most helpful in serving and supporting our club by bringing refreshments to class and club activities, supporting our 50/50 tickets as well as selling our 50/50 tickets at our class and club dances.

John and Gwen began taking square dance lessons with the Square Wheelers, a handicapped club in Delaware County, PA, in September of 1993. We are looking forward to seeing them at all of our dances.

RECENT PASSINGS

We offer our sympathy and condolences to the families and friends of the recently departed.

Fred Lockett, husband of Gloria Lockett; Irene Mayers, mother of Joan Mayers; Sherman Uhler, Sr., father of Sherman Uhler, Jr.; and Ken Hartley, member of the Yellow Rockers.

KEEPING TABS

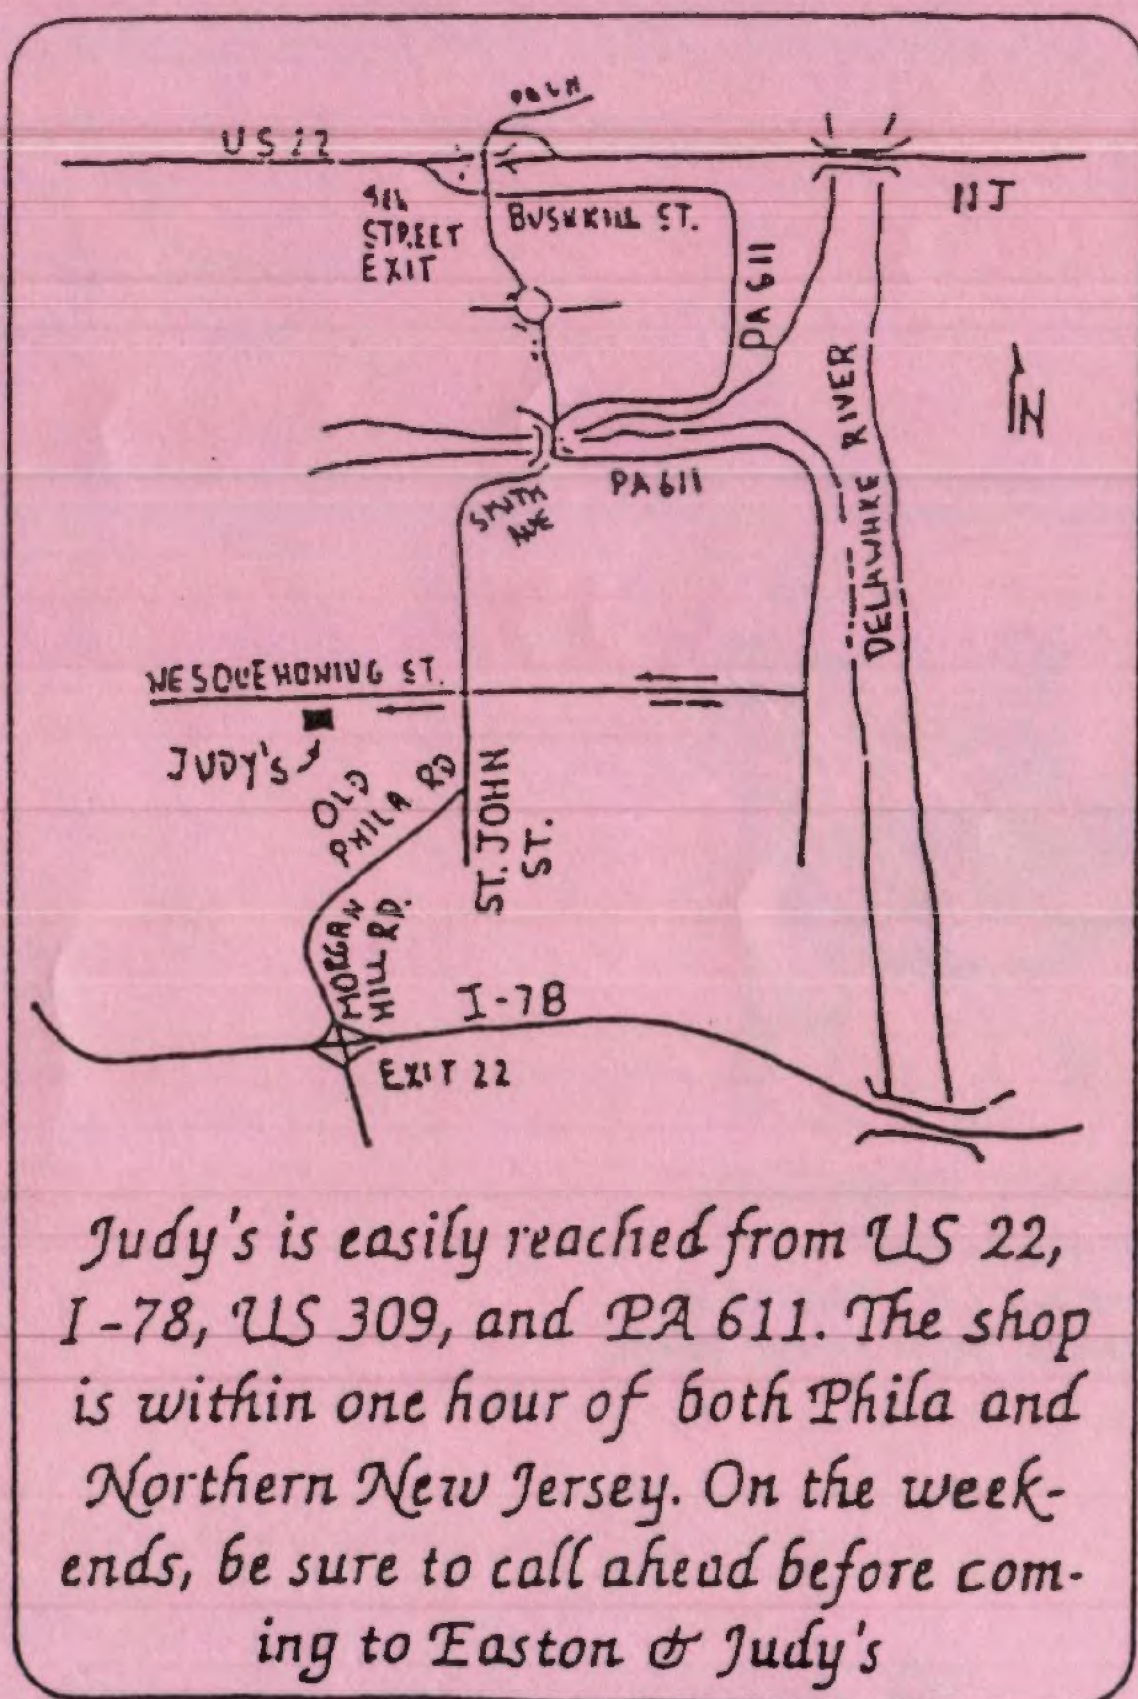

by Dalt & Barbara Young

Help us "Keep Tabs" to help the Lehigh Valley Kidney Foundation through the donation of pull tabs from aluminum cans, i.e., soda cans, etc. Please help us collect them, and turn them over to Dalt & Barbara Young either when you see them or give them to friends of theirs. Let's continue this worthy cause, because square and round dancers do help!
