Sorry, no more dances will be held until October. See you then!

For more information on any of our dances, please contact Barbara Young at (610) 838-0651.

LIBERTY STARS: I find it difficult to understand why more dancers won't try dancing with our club. We are not two-headed monsters or in the business of being critical of your dancing skills. We

dance for the enjoyment it brings to all of us. Our aim is just to have a good time.

We are a small club of just 27 members, so you will not have to be overwhelmed by "all of those dancers."

During 1997, we have been dancing Plus DBD on the first Saturday of the month and Advance 2 on the third Saturday of the month. All of our regular dances are held in an air conditioned facility at St. Paul's Methodist Church on Palomino and Shetland Drives in Warrington, PA. Our dances start at 7:45 p.m. and end at 10:15 p.m. There is a Plus DBD Workshop held at the dance on the first Saturday of the month beginning at 7:15 p.m. Callers in 1997, include Roy Leber, Mark Franks, Mike Callahan, Tim Marriner, Steve Kopman, and Howard Richman.

For directions and other information about our club dances and activities, please contact Ed Armon at (215) 722-7663.

PERKY PROMENADERS: On a cool Friday in early January, five of our couples traveled to both the Herford and Marlborough Elementary Schools in Upper Perkiomen where Dalt Young called a demonstration square dance for two wonderful groups of fourth graders. They then received four weeks of lessons from their teachers. On February 7, we returned when all of the fourth graders from both schools (35 squares - wow!) danced to Dalt in the Marlborough Elementary School gym. Besides our demonstration tips, we all joined in the squares with the youngsters. Many parents showed up to watch their kids dancing so that parking was a little bit of a problem. Dalt kept it lively for the kids with a few line dances, including the Electric Slide, the Chicken, and the Macarena. The kids would still be dancing the Macarena if Dalt hadn't cut that eternally long playing record a little short.

On May 7, we will be holding our Graduation Dance for our new graduates with instructor, Burl Lally calling squares for the evening. New graduates from all clubs are welcome to attend and the dancing level will be geared strictly for them. New graduates are necessary to keep square dancing clubs perky, so why not come out to show your support to all of the new graduates.

On May 17, we will be sponsoring a day trip to Cape May, NJ with the choice of a ride on the sightseeing trolley or a trip on the ocean for a whale watch. This will be a very enjoyable day for everyone in the cool, seashore air.

We will be bursting forth with flowers for our Flowers in Bloom Dance on May 21 with Bob Clark calling the squares for the evening.

Our dance on May 31 will be a spe-

FOR THE DAY OF THE DANCES REFER TO CALENDAR PAGES

cial dance night. Joe Landi will be calling squares along with Gloria Reaser cueing rounds. No special tickets are needed, just come out and join us for a fun filled evening of dancing.

The dance on June 4 will surely be one to look forward to. Strawberry shortcake will be on the menu during breaktime at this dance. So come on out and join us for the dance and you won't miss out on all those delicious strawberries. Burl Lally will be calling squares at this dance.

Starting on June 5, we will be holding "Perk Up Your Plus" Workshops at the East Norriton Park Pavilion. It will help new dancers get up to speed, but it is also a great refresher for anyone who want to review their plus level dancing skills. As in previous years, Burl Lally will be calling these workshops. They will be held every Thursday evening from 7:30 to 9:30 p.m. during the months of June, July and August. For more information, please contact Hugh & Nancy Miller at (610) 275-1790.

On June 18, Jim Snyder will be back with us again along with cuer, Peg Dockry. The theme for this dance will be Wedding Pictures. All couples are requested to bring their wedding pictures, if they can still find them.

The cuers for all of our dances are Joe & Peg Dockry, who will be more than happy to accommodate you with requests.

We are an active club that participates in banner stealing. We are planning to visit many clubs during 1997. We dance at the Church on the Mall in Plymouth Meeting, PA on the first and third Wednesday of the month from 8:00 to 10:30 p.m. Please join us for a great evening of dancing!

+++++

QUAKER EIGHTS: We cancelled our dance on March 29 because it was so close to Easter and everyone likes to spend time with their families during the holidays.

We danced to the great calling of Joe Bradshaw and the wonderful cueing of Lil Armstrong at our April Showers Dance on April 26. This was held in competition with the Federation's Wildwood Weekend, but we still had a good turnout and everyone enjoyed themselves at the dance.

For our last dance of the season, we will be celebrating with a May Day Dance on May 10. At this dance, we will also be holding a covered dish dinner and election of officers. Recording artist, Hank Lutcher of North Central Pennsylvania will be calling squares for this dance along with cuer, Lil Armstrong. Lil has a great variety of round dances that will please everyone in attendance.

We took a vote among our dancers and decided to cancel our dances on May 24 and May 31. We believe that Memorial Dance Weekend starts people traveling, attending weddings and graduations, camping, going on big out-of-town festivals and conventions, and also creates the "too hot to dance syndrome."

Our new dancing season will begin on September 13 with "Mr. Smooth," Bob Clark calling squares. Elaine Novak will be cueing the rounds of your choice for you during this dance. We expect a big year with great callers and cuers next season.

We dance at Quakertown Elementary School on 7th and Park Avenues in Quakertown, PA. Pre-rounds begin at 7:30 p.m. followed by 2x2 dances from 8:00 to 10:30 p.m. For more information, please call (215) 257-3829.

We hope to see everyone on the dance floor!

+++++

ROUND DANCE PARTIES: On May 3, we will be dancing to cuers, Ron & Ree Rumble followed by cuers, Pete & Mary McGee and Ron & Ree Rumble on June 7.

This is the place that you can try out all of the new class dances that you have recently learned. Come on out and bring

your dance partner for a great night of dancing. Program your dances for the evening from 8:00 to 11:00 p.m. See you on the dance floor!

+++++

ROVIN' SQUARES: Camping and square dancing go together like a horse and carriage, so you can do both at our square dance campouts.

Our camping schedule is as follows: The campout on May 16-18 will be held at the Pennsylvania State Camporee in Centre Hall, PA. Members of the NSDCA are eligible to attend. Our campout on June 20-22 will be held at Holly Acres in Egg Harbor, NJ followed by another campout at Holly Acres on July 18-20. On August 15-17, we will be camping at Appalachian Campground in Shartesville, PA; then on September 12-14, our campout will be held at Colonial Woods Campground in Upper Black Eddy, PA. Our final campout for the season will be held on October 17-19 at White Oaks Campground in Quarryville, PA.

If you want to be happy and have lots of fun at the same time, look into becoming a member of our club. Call Tom & Geri Kilgallon at (215) 659-2443 or Bob & Toby Miller at (610) 272-2997. Don't take chances, become a winner and join our club!

+++++

SAUCON SQUARES AND ROUNDS: Time flies when you're having fun and that is exactly what we have been doing at our club!

We had a wonderful New Year's Eve Party along with the Lehigh Valley Bachelor's 'n' Bachelorettes and the Eastonaires. Everyone who attended this gala event had a fun time and a great evening of dancing.

During January, our club visited the Quaker Eights and retrieved our banner. We also held an Ice Cream Social in January, where everyone enjoyed a chilling evening.

In February, we held our Sweetheart Dance for Valentine's Day and in March, we held our St. Patrick's Dance. A great time was had by all who attended these two special dances.

We have a great list of callers lined up for the months of May and June. The are as follows: On May 2, we will be dancing

to the melodic sounds of caller, Ted Knauss and cuer, Steve Bradt followed again by caller, Ted Knauss and cuer, Mary McGee on May 9. On May 16, we will be dancing to the great sounds of caller, Dalt Young and cuer, Steve Bradt. No dance is scheduled for May 23. On May 30, caller, Ted Knauss will be joining us along with cuer, Al Spinks. On June 6, caller, Ted Knauss will be back with us again along with cuer, Elaine Novak. On June 13, Ralph Stapenell will be entertaining us on squares and Mary McGee will be cueing rounds. Then on June 20, we will be delighted by the calling of Dalt Young and the cueing of Steve Bradt. Finally, on June 27, caller, Ted Knauss will be calling for us along with cuer, Elaine Novak.

Come on out and join us at 134 E. Broad Street in Bethlehem, PA. We dance every Friday evening from 8:00 to 10:30 p.m. with pre-rounds beginning at 7:30 p.m. We hope to see everyone for a great evening of fun!

+++++

SCHUYLKILL PROMENADES: Our Banner Dance on May 18 will feature Bob Clark calling squares with line dances instead of rounds. Come on out and visit us and steal our banner!

On June 15, make plans to join us for our Father's Day Strawberry Social. At this dance, strawberries (of course) will be featured for dessert. Dan Prosser will be calling squares at this dance along with his wife, Linda cueing rounds.

Remember, our hall is air conditioned. So join us for a cool evening of dancing during those hot summer months. We offer great fun and fellowship to everyone who attends our dances.

+++++

SIMPLY SQUARES: We are a come-when-you-can casual dance club for experienced plus level dancers wanting a night of all squares with little time off between tips. There are no rounds at our dances. Our callers provide eight or more tips in two hours, which gives us an energetic but early evening.

We look forward to hosting caller, Larry Kannaird on May 4 followed by caller, Ralph Stapenell on May 18. Then on June 1, we will be hosting caller, John Sweeney.

Mark your calendars and come when you can! We meet at the Wayne Senior Center Building on 108 Station Road in Wayne, PA (near the Septa Station) from 7:30 to 9:30 p.m. on the first and third Sundays of the month. Dancing starts promptly at 7:30 p.m., so early arrival is advised. The cost is \$3.50 per person and you can dress as simply as you please.

If square dancing is your passion, don't miss these great opportunities! Please call (610) 964-8857 for more information or directions to our dance hall. We hope to see everyone of the dance floor!

+++++

STARDUSTERS (BERKS CO.): On May 2, Bob Clark will be entertaining us on squares along with the great cueing of Jane Styer. Then on May 17, we will be hosting caller, Jim Snyder and cuer, Bob Reaser.

We are looking forward to our special dance entitled "Rebel Yell" on June 14. Our dance last year with caller, Greg Jones of Raleigh, NC was a huge success so we decided to bring him back again for this year's dance. Along with Greg Jones, we will have another guest caller, Matt Worley of Virginia Beach, VA as well as our very own local caller, Jim Snyder of Harleysville, PA. Another plus this year is that the dance will be held in an air conditioned facility at Berks Career and Technology Center (Vo-Tech West) near Berks Helm in Reading, PA. Featured as cuers for this dance are Bob & Gloria Reaser of Reading, PA. Pre-rounds will begin at 7:30 p.m. and plus dancing will begin at 7:45 p.m. See our ad on the back cover of this issue for more details. For more information,

please call (610) 562-8010.

We don't dance during the summer months, so enjoy your summer and we will see you again on October.

+++++

TUMBLEWEEDS: On May 20, we will be holding a Mother's Day Dance where we will also celebrate all of the birthdays and wedding anniversaries that fall in the month of May.

On June 17, we will be holding a Father's Day Dance and celebrating all of the birthdays and wedding anniversaries that fall in the month of June.

On the first, second, fourth and fifth Tuesdays of the month, we hold a Mainstream and Plus Workshop from 8:30 to 10:30 p.m.; and the third Tuesday of the month is set aside for a special dance and the celebration of that month's birthdays and wedding anniversaries. Beginner Classes are held every Tuesday evening from 7:30 to 8:30 p.m.

All of our club dances, workshops and classes are held at the Salem United Church of Christ on 186 E. Court Street in Doylestown, PA. Our club caller is Helen Greatsinger.

+++++

YELLOW ROCKERS: It was nice to be out camping and dancing with friends again after our cold winter. The committee did a wonderful job organizing our First Campout on April 18-20 at Beechwood Campground. Our caller, Ted Knauss was also the cuer and country-western line dance instructor during the weekend. We certainly kept him busy and vice versa.

On May 16-18, we will be attending the Pennsylvania State Camporee in Centre Hall, PA. We all look forward to seeing friends from different clubs and dancing to the many callers and cuers entertaining the dancers during the weekend.

On June 20-22, Don Laine Campground in Trachsville, PA is our destination. This campground is one of our favorite places to be. It has a great dance floor, friendly people and a swimming pool. Ted Knauss will be our caller and cuer for this weekend.

If you love to square dance and camp at the same time, join us for one of our

weekends. For more information about our camping weekends, please call Charlie & Pat Watters at (610) 398-2743. See you on the dance floor or at one of our weekends!

THE CITY OF ORLANDO TOUR

The City of Orlando tour is a half-day tour of our host city for the 46th National Convention to be held on June 25-28, 1997 in Orlando, FL. The tour will be offered twice a day starting on June 23 and continuing daily through the morning of June 28. The tour will be an entertaining and informative history lesson about the city known as the "Tourist Capital of the World."

Orlando is a young community, 137 years old, first settled in the early 1840's. The first residents were Army volunteers who remained after the Seminole Wars. The city has 91 beautiful lakes located within its city limits. We will visit some of the lakes on the tour and also show you some of the more beautiful homes, both new and old. You will see various architectural styles including Spanish, British, New England, Mid-Western, German, Scottish and Mission style.

On our way around town, we will pass various sports venues such as the Citrus Bowl, the Orlando O-rena, and the Tinker Stadium where you will hear the intriguing story of Orlando's own Joe Tinker. There are also a number of sports stars living in our area. Perhaps, if we are lucky, we will catch a glimpse of golfers Arnold Palmer, Gary Player, Nick Faldo or Tiger Woods, or Orlando's Magic team members Penny Hardaway, Dennis Scott, Horace Grant, Nick Anderson

We plan to stop by Church Street Station in Orlando's historic downtown entertainment complex featuring Rosie O'Grady's Good-Time Emporium, Phineas Phogg's, Apple Annie's Courtyard, the Orchid Garden Ballroom, and the Cheyenne Salon and Opera House. You will have time to shop, sneak off for a bite to eat, or join in on an old fashioned sing-a-long with Rosie O'Grady's Banjo Man.

On the way back to the Orange County Convention Center, we will take you a bit more about the Central Florida community. There is so much to tell, we can't quite decide what to omit or what to leave in, but rest assured, you will hear many interesting facts about this wonderful area we call home.

SQUARE DANCE THE INTERNET

by Bob Williams

There are a number of internet sites that may be of interest to square dancers. Do you know about them?

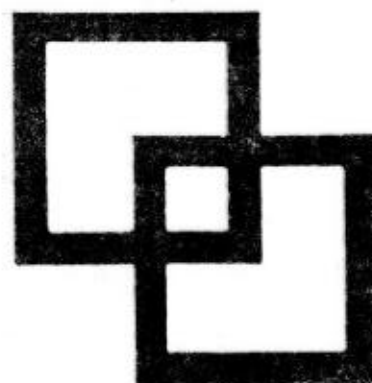

Two sites that dancers should know about are as follows:

The first internet site is for the New

Jersey Square and Round Dance Convention. The address is: <http://members.aol.com/njsquare/njconv.htm>. For more information, Marion Pearce can be reached by E-Mail at mfpearce@juno.com.

The second internet site is for the 46th National Square and Round Dance Convention to be held in Orlando, FL in June of 1997. They have a site at <http://user05.blue.aol.com/nsdc46th>. There are other internet sites for future National Conventions, but enough for now.

If you would like more internet sites listed in future issues of "Squares and Rounds" or if you have an internet site that you would like listed, please contact me by E-Mail at blkgrd@aol.com or blkgrd@juno.com.

A GREAT COMPLIMENT

What is one of the nicest compliments that a caller and/or cuer can receive from a dancer?

It is when a dancer comes to them privately after a dance and tells them, "We are never going to dance to you again!" (pause) "Because we never got a chance to visit the refreshment table all evening!"

If the pause is just right, the compliment really hits home and both of you will get a good laugh out of it.

TRANSPORTATION AT THE 46TH NATIONAL

For those of you coming to Orlando, FL on June 25-28, 1997 to attend the

46th National Convention, many questions arise concerning transportation. A short synopsis of what we have planned for you, (and certainly have been planning for quite some time now), might answer some of your questions.

BUS TRANSPORTATION

First, YES, we are providing some of the finest buses to take you to your hotels, motels and campgrounds; and YES, we would recommend that you purchase a bus pass. But, do it early and save yourself some money.

All dancing, meetings and convention activities will be held in the Orange County Convention Center. Buses to all hotels and motels will be running on 30 minute intervals. All campground services by our buses will also be running on a regular schedule.

Almost all of the hotels and motels are within four miles of the Orange County Convention Center. This allows us excellent turn around time when we are

experiencing peak periods and can add additional buses to the line. We are very fortunate to have been able to contract with the leading bus company in Orlando who maintain a fleet of over 90 buses that will be available to the 46th National Convention.

All bus routes will be set up on a color coded basis with signs at bus loading areas as well as in the hotel and motel lobbies. At the private campgrounds, dancers can wait in air conditioned club-houses for bus pickup.

We will begin running a FREE bus to the Convention Center at 12:00 noon on June 25. This will accommodate anyone coming to the Convention Center to pick up their registration packets and if they have not already done so, to purchase a bus pass. Thereafter, bus transportation will require a proper identification badge.

Starting on June 26, buses will begin running at 7:00 a.m. and will run until 12:00 midnight or until the last person leaves the afterparties. We certainly hope

this will ease the transportation worries that some dancers may have about attending a National Convention. Remember, the city of Orlando is used to transporting large crowds -- they do it every day!

PARKING YOUR CAR

If you are planning to drive your car to the 46th National Convention rest assured that there will be plenty of parking spaces available. The Orange County Convention Center parking lot is immense and even has a shuttle service so you don't have to walk across the parking lot. In the event that the Orange County Convention Center parking lot fills up, an overflow parking lot is located across the street and a huge parking garage is located just six blocks away. There are also additional off-site parking areas available.

There will be a \$6.00 parking fee charged per day for all parking lots. Shuttle bus service to and from the Orange County Convention Center will be provided free from all sites. If you should decide to leave the parking lot and return in the same day, you must pay an additional \$6.00 fee. However, the City of Orlando I-Ride bus system will be available for trips up and down International Drive.

For those dancers utilizing the parking facilities, each person in your car will receive a FREE I-Ride bus pass good for that day. The I-Ride is a bus system that traverses International Drive from Sea World to Wet 'n Wild; a nine mile stretch lined with fine restaurants and fast food establishments, plenty of shopping centers and outlets, and numerous entertainment facilities to enjoy. There are 45 bus stops along International Drive with service from 7:00 a.m. until 12:00 midnight every 10 minutes with a stop directly in front of the Orange County Convention Center. However, the I-Ride does not go to any hotels or motels so should not be considered as a substitute for a bus pass. For those dancers not using the parking facilities and still wish to use the I-Ride, bus passes can be purchased at the I-Ride Booth set up in the registration area at the

Orange County Convention Center as well as in hotel and motel lobbies.

DO YOU KNOW?

In your dance location, do you know where the fire extinguisher is located? Do you know where the fire alarm is located? Do you know where the first-aid kit is located? Does someone in your club know how to perform CPR? Does someone in your club know the area's emergency telephone numbers? Does someone in your club know where the nearest telephone is located? Is a doctor, nurse, paramedic or qualified red cross member a member of your club where you dance?

These are all very important questions that members of your club should know the answer to. All dancers should be aware of the important information, especially your club officers. Though the need may never arise — **YOUR CLUB SHOULD BE PREPARED!**

AFTER ROUND DANCE GRADUATION - WHAT NEXT?

With our crisp round dance basics diploma clutched in our hot little hands, we seldom question, "Where do we go from here?". We are well aware of the round dance steps that lie beyond and so we follow the crowd up the ladder, never asking, "Why?".

The average basic round dance course never equips the dancer to step into a highly experienced intermediate round dance club. It took more years than I would like to say for this fact to penetrate my consciousness. Now we provide a further "intermediate round dance workshop" to channel the new graduate into our intermediate groups, rather like a plus workshop that follows a square dance class graduation. Not once have I heard a basic round dance graduate say, "I'm not interested in intermediate round dancing."

What round dance teacher would not want to see in his or her students an avid interest in advancement? I know that I am pleased when new round dancers desire to continue learning new steps. However, before advancing on to higher levels, we need to take an honest look at the round dance course we have just finished. Did we enjoy the course? Did the "heated discussion" level rise? Are we simply following our

friends? Do we really want to devote additional time, energy and concentration to taking another course? Actually, it is not hearsay to say, "We are happiest dancing easy rounds."

If round dancing is not longer fun for you, if there is no sense of achievement, if we no longer agree, it is time to find our happy place in round dancing. There are many ways to put together the square and round dance package. The best combination for you are the levels that provide the most enjoyment of your recreation, those two final phrases indicating quite plainly "of or relating to you or yourself or yourselves" and "a means of refreshment or diversion". Does that describe your feelings about round dancing? I hope so.

VOLUNTEERS, GOD BLESS THEM!

May we be shocked to find
When the day of judgement nears
That there's a special place in heaven
Set aside for volunteers,
Furnished with big recliners,
Satin couches and footstools,
Where there's no committee chairmen,
No group leader or car pools,
No eager team that needs a coach,
No bazaar and no bake sale.
There will be nothing to staple,
Not one thing to fold or mail.
Telephone lists will be outlawed,
But a finger snap will bring
Cool drinks and gourmet dinners
And treats fit for a king.
You ask, "Who'll serve these priveleged few,
And work for all they're worth?
Why, all those who reaped the benefits
And not once volunteered on Earth.
